

WAS SANTA CLAUS TO HUNGRY BEGGAR.

New York Man Received Thousand Dollar Bill For His Kindness.

Befriended Beggar on Christmas Eve and Wished Him Merry Christmas.

New York, Nov. 2.—The Herald says: 21 1/2 years ago John McNulty befriended a homeless beggar in the street, and yesterday the long forgotten act of kindness brought its reward. There came a letter from that same beggar, and enclosed was a \$1,000 bill.

perhaps I can make this right with you some day. I'm a beggar now, but I might strike it rich some day. "If you do," McNulty laughed, "do as much for some poor fellow as I have done for you."

A HORSE KILLED IN INCLINE RAILWAY ACCIDENT.

Team Backed Off the Car and Mr. Robt. Carver Was Slightly Injured.

There came near being a serious accident on the James Street Incline Railway yesterday afternoon. As a result of the accident Mr. Robert Carver, of Mount Hope, and Mrs. D. Carver, his sister-in-law, had a nasty roll part way down the roadbed and two horses belonging to Mr. Carver were killed.

gave way and wagon, horses and Mr. and Mrs. Carver were thrown out on to the track. Mr. Carver was pinned under the wagon box and Mrs. Carver managed to grab the tracks and thus escaped a terrible roll over the edge or to the bottom of the incline. The place the accident happened was on the trestle over the gully and one of the horses was instantly killed by falling over the edge.

SUNFIELD'S BARBER BILL HAS NOT YET BEEN PAID.

Another Letter Received Here From the Murderer's Wife.

Mr. Harry Halford, John street barber, has sent in a bill for \$5 to the County Clerk for a shave and a hair cut which he gave Jake Tamillo, alias Sunfield, when the murderer of Andrew Radzyk was brought to the Court House to be tried. Mr. Halford was offered \$1 by Sunfield, through the Sheriff, but the boss barber wouldn't accept that. He wants remuneration for the "risk that he took." The bill will be presented at the next meeting of the Joint Committee by the Clerk. Mr. Halford says he will sue if he does not get the full amount.

to Chicago by him. Mrs. Tamillo says in her letter: "When in Hamilton I lived with Mrs. Beinker, but I did not stay long, as I found out that Jake went to the Radzyk place, on Sherman avenue, and I would not stand for that, and he abused me so over there that one time I was unable to go out of the house for two weeks. He sent me back on the 24th of last May, and said he would come himself, but he did not come, as he liked Mrs. Radzyk better than he did me and the children. They had all kinds of women and girls over there; just what he wanted. Mrs. Radzyk liked him better than her own husband, and he liked her. He used to go fishing with Mrs. Radzyk in the bay, but he never caught anything, and always had that woman in the boat. He will not kick things up now, as he does not want to get hanged. For all that he did do me, I am not a bit strong."

MAY NOT STRIKE.

Lloyd George Trying to Prevent Railway Strike.

London, Nov. 2.—The prospects that the President of the Board of Trade, Mr. Lloyd George, may be able to avert a general railroad strike by arranging a 'compromise' were brighter to-day. A full meeting of the Executive Committee of the Amalgamated Society of Railway Servants was held this morning and it was decided to postpone all action on yesterday's resolution in favor of a strike until after the conference which is to take place with Mr. Lloyd George on Nov. 6th, to which he has invited the society to send representatives. Richard Bell, M.P., general secretary of the society and leader of the strike movement will probably hold the delegation.

having an independent chairman. The railroad directors apparently are willing to adopt the scheme.

New York, Nov. 2.—By affixing his signature to a brief document yesterday afternoon, Justice McCall of the Supreme Court placed Miss Gladys Moore Vanderbilt, youngest daughter, of the late Cornelius Vanderbilt, whose marriage to Count Szechenyi is to take place next month in possession of a sum approximating 12,000,000.

COME AROUND AND HEAR THE GAME

It is just like seeing the game to hear it called off, every play in detail, just as it takes place. Come around to the TIMES Office at 2.35 and hear it all from the balcony. No noisy street cars to disturb the play. Last Saturday a great crowd enjoyed the Tiger-Montreal game. To-day it is Tigers vs. Ottawa. DIRECT WIRE FROM THE GROUNDS.

Aged Leader of Salvation Army Speaks on Religion and Marriage.

Realizing He Is Nearing Life's End---Ready for the Change.

New York, Nov. 2.—"At one of our meetings in Northampton," said General William Booth, head of the Salvation Army, yesterday, "a rough-looking man entered the hall and, after listening with increasing interest to the preaching for half an hour, finally climbed up on the platform and, with tears coursing down his cheeks, cried: "When I entered this place I'll be damned if I ever thought I'd be saved. But, praise the Lord, I am."

cessor and formulated his plans into the next and the succeeding generation. And should the summons reach him before the dawn of another day, the work of the Salvation Army will go on as though his active brain still guided the movements of the great machine.

STRUCK BY CAR.

Fender Saved Henry Swicks' From Being Rolled Under Wheels.

Henry Swick, of Beamsville, narrowly escaped being killed by a street car in front of the City Hall at 11.30 this morning. He was crossing James street from the market, and was watching a car approaching from the south when struck by a northbound car. Fortunately the fender dropped and prevented him from rolling under the wheels. He escaped with a shaking up and minor bruises. P. C. Aikin took the number of the car and of the motorman and conductor.

HELPED THE BOSS

Chicago, Nov. 2.—Pay roll worries are not among the cares to-day of Henry G. Dawson, manufacturer of Montells. A score of his own employes, all workmen, yesterday surprised him by offering him enough currency, about \$6,000, to carry him through two pay days. If Mr. Dawson shall need more money before the flurry in the market is a thing of history, the men on the other side of his desk will bring more. Last week Mr. Dawson made several deposits which would have carried him through if he had kept the money in his own safe.

HEALTH LECTURES.

Mr. D. M. Barton will give a series of illustrated health lectures to men and women next Thursday and Friday, Nov. 7 and 8, in Y. M. C. A. Hall. The reserve seat plan is now open at Nordheimers.

Iron Supply.

The need of a good iron tonic is always indicated if you feel a continued sense of weakness. A pale face is a sure sign of "ironless" blood. The most pleasant and best way to restore this deficiency is by taking Howard's Beef, Iron and Wine. Sold in 35c. bottles by Parke & Parke, druggists.

SAFETY DEPOSIT BOXES.

The Man In Overalls

Go and hear Leader MacKay to-night. Be careful with fire. So many accidents. Now let us hear the United States papers explain away that flag incident in Chicago.

Leader MacKay is a rattling good speaker. Hear him to-night. Park Superintendent Marshall should be able to marshal his forces to advantage.

Come out and cheer for the Tigers, and hear the announcer at the Times office this afternoon. The Montreal football team might now try diabola.

Perhaps Foster and Fowler do not enter libel suits because they are afraid of the verdict. But can Donovan tell funny stories like Joe Downey?

Neither Billy Maclean nor Allan Studholme will take credit for Jacobs' defeat. Possibly the man with the goods is to blame. Was there any Zandray coin up?

A PROCLAMATION.

"Whereas it hath pleased Almighty God, in His great goodness, to vouchsafe this year to our Dominion of Canada a bountiful harvest and other blessings," thus by Royal Proclamation, Edward the Seventh, by the grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions Beyond the Seas, Defender of the Faith, Emperor of India, set apart last Thursday as a Day of Thanksgiving for these blessings, and invited all his loving subjects throughout Canada to observe that day as a day of thanksgiving. So that there might be no doubt about it, the King caused the Great Seal of Canada to be affixed to the proclamation, and to be witnessed by "Our Right Trusty and Right Well-Beloved Cousin, the Right Honorable Sir Albert Henry George, Earl Grey, Viscount Howick, Baron Grey of Howick, Governor-General and Commander-in-Chief of Our Dominion of Canada." Of all which we were asked to take notice and govern ourselves accordingly. Not only as a loving, but as a loyal subject, how did you obey the proclamation? Of all the teeming millions of His Britannic Majesty's subjects none had more reason to give thanks than had his Canadian subjects, nor had any of his many dependencies more reason to feel thankful. India had its famine and its plague. Jamaica had its earthquake, South Africa its war and its race problem, while we have had peace, prosperity and plenty. Manufacturers busy, workmen earning good wages, farmers with good crops and good prices. Why should we not be thankful? Even a dog will lick the hand that feeds it. No royal proclamation should be needed to remind us of the bounties showered upon us by a kind Providence. For life and health and peace of mind and work and friends and home we would be grateful, indeed, did we not thank the good Lord, to whom we are indebted for all.

I. O. F. AT BENNETT'S.

The desire of the management of the Bennett Theatre is to produce clever and refined amusement for the masses and to cater to the refined taste of ladies and children at the matinees. Approving of this line of action, the Hamilton District Committee of the Independent Order of Foresters has arranged for a whole week of refined vaudeville, commencing Monday, November 4. Manager Driscoll has promised a fine list of attractions, and satisfaction for everybody. Mr. Bennett, the proprietor of the theatre, who is a member of the order, verifies the statement of Mr. Driscoll. The committee having the affair in hand, of which J. M. Paterson is chairman, is particularly anxious to make the affair a success, and every effort should be put forth by the large membership in Hamilton to assist by purchasing tickets only at the places advertised in to-day's issue and not at the box office.

ROUGH RIDERS' SUPPORTERS WANT ODDS TO-DAY.

The Tigers Game at Ottawa to be Called at 2.30 Sharp This Afternoon.

(By our own Reporter.) Ottawa, Ont., Nov. 2.—(Noon).—The Tigers are in good shape and confident. Barron, McCarthy, Craig and Harrison came in this morning with the club officers, who arrived last night. Indications are for rain, in fact it was showery this morning. The Ottawa team is not very confident. Gleason is limping a little, and two or three others show the effects of Thursday's hard game.

There was a little betting this morning, Ottawa supporters demanding odds, and the Tigers trying to get even money. Captain Ballard will depend on Toppe and Harrison to do the punting in the first part of the game, and instructions are to play a close game on the wing line, it being thought these two, if protected well, can outpunt Gleason and Williams.

There will be few, if any, changes on the Ottawa team. The game is called for 2.30, and it is announced that there will be no delay at the start. Harry Griffith, of Ridley, referee, and Dr. Hendry, of Toronto, umpire, are here. The grounds are in good condition. The Times' direct wire will be kept hot as soon as the game starts.

RAISED IT \$500, START TO-MORROW.

Mayor of Blind River Received Good News Here To-day.

Mr. Geo. McArthur, Mayor of Blind River, is in the city to-day visiting relatives. He received word this morning from the Attorney-General's Department stating that the Provincial Government will give \$500 reward for the conviction of the fire bugs in Blind River, who have caused nine fires in the last few weeks. This is in addition to the reward of \$500 offered by the town. Mr. McArthur and a deputation of citizens of Blind River waited on the Premier yesterday and asked that the Government assist the municipality to catch the offenders. He says the town people are very much excited over the work of firebugs, and some of the insurance companies have cancelled their risks there.

FIRST OF TEMPERANCE MEETINGS IN BENNETT'S THEATRE.

Arrangements are now complete for the Sunday mass-meetings in the Bennett Theatre, beginning to-morrow evening. In order not to conflict with the evening services in the churches, the time has been fixed at 8.30. Doors will be opened at 8 o'clock, the preliminary song service, led by chorus choir and orchestra, will begin at 8.15, and the meeting proper will begin at 8.30. On the opening night, Mayor Stewart, presiding, the attraction will be a series of moving pictures presented and explained by the Carey brothers. This will lead up to an evangelistic address by the Rev. P. W. Philpott, followed by pledge-signing.

HIT BY POLE.

A Young Man Named Cunningham Painfully Injured.

On Thanksgiving Day a young man named Cunningham, of Saltfleet township, was seriously injured while riding home on the H. G. & B. on the last car that day. The car happened to be filled to capacity on the 11.10 trip, and Cunningham was forced to stand on the steps. As the car was nearing Nash's Grove, Cunningham leaned out and his head came in contact with a pole. He was thrown off the car into a field and sustained bad injuries around his head. He was taken on the car to Stoney Creek, where he was removed to the residence of his father, who works for Col. Pottery. He is doing favorably.

NO INSURANCE.

Miss Sheehan and the Two Firemen are Recovering.

Miss Sheehan, who was badly burned in a fire at 183 Hess street north yesterday at noon, is improving at the City Hospital, and she will recover, is the latest report. Firemen Gilbert and Hottorum, who were hurt by the fall of an outside stairway on which they were standing, are also on the mend, and will not be long off duty. Gilbert was not seriously injured, but Hottorum's neck was sprained by Gilbert alighting on his head in the fall. The house, which belonged to E. B. Eskin, the grocer, was not insured; neither was the property of the tenants.

Governor Frantz, the defeated Rough Rider Republican candidate for Governor of Oklahoma, holds the record for strenuous campaigning. He went to bed in three different towns in one night, says the Kansas City Journal.
