This was closing day , in the Public Schools-closing for Christmas, with all its joyous home gatherings and good cheer: for ten or twelve days of merry making and festivities, and what day of all the year more appropriate for instilling into the young minds thoughts loving Saviour, the man Christ, who, while angels sang of peace on earth and good will towards men ,came to be the children's friend, and to preach the gospel to the poor. The Christmas spirit was manifested in all the school programmes, which are here given:
