"For more than a century humanity's best 'Friend in Need'"

Honored on Eye Of Departure

Mr. Joseph Ander Remembered by Presbyterian C.S.E.T. as well as Employees

Mr. Joseph Ander, who has been the manager of the Canadian Gear Works, Ltd., here since the foundation nearly six years ago, has resigned, to take a position with the Swedish Canadian Steel and Importing Co., Ltd., in Montreal. Mr. Ander will be much missed, as he was prominent not only in the Board of Trade and Industrial life of the town and district, but in all branches of the religious temperance and social service activities of the community. A member of the Newcastle Town Improvement League since its beginning and lately its president, Secretary of the Northumberland Temperance Alliance, and a member of the social service executive, as well as mentor of the Presbyterian C. S. E. T., and a Sunday School teacher his time, out of business hours, was fully occupied and his place in all those bodies will be hard to fill.

Thursday the employees of the Canadian Gear Works waited upon him and gave him an address and a handsome gold-headed cane. The address was read by Wm. C. Simmonds and the presentation made by H. B. Cassidy. The address was as follows:

Newcastle, N. B.
January 16th 1919.

Dear Sir: It is with the greatest regret that we, who have associated with you so many years have learned of your intending departure from our midst. Having been with the Company since its beginning, you have come into contact with all its many employees, who we assure you, have always had a good opinion of you and will ever cherish a most kindly feeling towards you. Thanks to your gentlemanly bearing and reasonable demands our relations have ever been cordial, and, as a consequence, the work has gone on much more smoothly than is often the case in similar establishments. While for our own sakes we are very sorry to see you leave us, yet we are glad to know that you have received a well earned promotion to a large field, which will give you great business ability wider scope and provide a wider field for your social and philanthropic activities, which have not been unnoticed nor unappreciated by us. Our best wishes go with you, and be sure that you will continue to make good in whatever sphere you may be called upon to serve your fellowmen.

As a small token of the great respect and esteem we have for you, we beg you to accept this little gift, and we trust that as you carry it you will sometimes think of those you are so soon to leave behind.

Signed on behalf of the employees of "Canadian Gear Works Limited,"

WILSIMMONDS,
H. B. CASSIDY.

Joseph B. Ander, who has been mentor of the Presbyterian C. S. E. T. since its organization was on the 12th instant presented by the boys with an address, read by Willie Russell, and a handsome set of military brushes, presented on behalf of the organization by Jack Corbett. The address was as follows:

Dear Mr. Ander: We the members of the C. S. E. T. of St. James' Presbyterian Sunday School, have learned with deep regret of your departure from Newcastle, and feel that we cannot let you go without in some way expressing our appreciation of your services during the past few years.

We the members of the C. S. E. T. will miss you as our Sunday School Teacher, and we trust that you will sometime return to Newcastle and join us again. Kindly accept this small gift as a token of our esteem, and wishing you prosperity in the future.

Members of the C. S. E. T. St. James' Presbyterian Sunday School

On the 13th instant the boys were entertained by Mr. Ander at his home, when another very pleasant evening was spent.

The large number of guns captured by the British from the Germans are to be shown in all the towns of England. The most imposing array of them will be in London, in the great road leading from the Admiralty to Buckingham Palace. There, some 900 guns will be on view.

PLEBISCITE ON WATER POWER WILL BE HELD FEB. 11TH.

Regular Meeting of Town Council Decide To Submit Question to Ratepayers at Once - Other Business Transacted

The regular monthly meeting of the Newcastle Town Council was held on Thursday evening, Mayor Troy in the chair all Aldermen present. The following accounts were passed:

Finance	
Newcastle Band	\$25.00
J. D. Creaghan Co. Ltd.	17.25
Chatham 5 and 10c stores	47.75
Union of N. B. Municipalities	\$19.00
Public Works	
H. A. Russell	8.47
Light & Water	
Canada Oil Co.	\$57.97
J. Ferguson & Sons	64.99
H. A. Russell	9.80

On motion of Ald. Sargeant and Ritchie, Mayor Troy was appointed delegate to the annual meeting of the Union of N. B. Municipalities.

The resignation of William Gifford, as night policeman was read and recommendation of the Police Committee, Thomas Bayles, Jr. was appointed to fill the vacancy.

The Mayor reported that the special committee that had been appointed to draw up a statement regarding the Light and Water plant had prepared a statement to be submitted to the ratepayers.

Ald. Crocker read the following letter from the chairman of the N. B. Water Powers Commission:

St. John January 25th 1919
Alderman Crocker
Newcastle

Dear Sir: I notice by this morning's Telegraph that your town is considering a possible Hydro-Electric development on the Sevegie branch of the Northwest Miramichi. Of course there is only a very general outline given which indicates that the proposed head will be 30 feet and that it is estimated that 542 horse power can be delivered at Newcastle for the full 24 hour period and I assume of course for each and every day during the year.

It is the aim and duty of this commission to encourage and aid in the development of water power all over the province and to this end we shall be only glad if we may be of service to your town in the way of

Election Of Officers

On the 17th inst the C. B. R. E. held their Regular meeting 8.30. M. C. Lockart was present and Addressed the meeting. He told about the New Divisions he had organized all over the Western and Eastern lines of the C. N. Ry. A very good attendance was at the meeting. The following officers were elected for the ensuing year

- Pres.-Lester Jeffery
- Past Pres.-J. McCormick
- Vice Pres.-R. Fillmore
- Fin. Secty.-G. Duncan
- Rec. Secty.-G. Duncan
- Warden-J. Mills
- Chaplain-D. Williston
- Messenger-G. Bernard
- Inside Guard-B. Malby
- Outside Guard-Chas. Mc3ride
- Reporter-F. McNeil

Buckingham Palace, the London residence of the British sovereign, and where the President and Mrs. Wilson were entertained by their British Majesties, has been described as the ugliest royal residence in Europe. The first building erected on the land was the home built for the Duke of Sheffield in 1703. It was so hideous that he never completed it. When the crown acquired it in 1825 the building was pulled down and the present palace erected. But William IV. so hated it that he refused to live there. Queen Victoria gave it a new front at a cost of \$750,000 soon after her coronation, but avoided it except on rare official occasions. Extensive alterations were made in 1851 and 1903, and some five years ago King George had the entire exterior of the structure rebuilt.

THEIR HAIR GETS SOFT, FLUFFY AND BEAUTIFUL—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not prevented it produces a feverishness and itching of the scalp; the hair roots become loosened and die; then the hair falls out fast. Surely get a small bottle of Knorikon's Danderine from any drug store and just try it.

establishing a record station where the duty run off of the stream may be recorded, so we can learn exactly how much water can be depended on at all seasons. If there is any person is living near the proposed power site or a little farther down stream who can be engaged to make the daily reading of the gauge which is so simple that any person of ordinary intelligence can easily do it, the commission will have such gauge established at once.

Trusting that the proposal may be of interest to you,
I remain yours truly
C. O. FOSS

On motion of Ald. Durick and Chairman J. Russell the Commission was asked to install the gauge and the town pay for the readings, and that the Light and Water Committee be empowered to engage some person to do the work after the gauge was installed on motion of Ald. Crocker, and Sargeant, the following resolution was passed:

That a plebiscite be taken on February 11th 1919 to decide of the ratepayers are in favor of the town Council making application to the Local Legislature for authority to issue bonds to the extent of \$50,000 for the purpose of developing of a water power on the Sevegie river to supply the Town of Newcastle with Electric power.

The return of the Police Magistrate for the quarter ending December 31st was read and shown, that there had been 27 convictions. Fines to the amount of \$21.00 had been imposed; the costs being \$50.00 and that \$101.00 had been paid into the Town Treasurer.

The following charges were laid.

Drunk	20
Drunk and damaging lockup	1
Abuse	1
Resistance	1
Loitering	2
Defacing Buildings	1
Creating Disturbance	1

On motion of Ald. Durick and Sargeant the report was received and adopted.

On motion of Ald. Durick and F. Russell the Council adjourned.

MODERN STRATEGY

All life-time is a school of strategy—a game of war upon germs and tendencies which, unless thwarted, weaken the system and invite disease. Modern health-strategy dictates the use of

SCOTT'S EMULSION

as a reliable means of thwarting the enemies of strength. Scott's is Nature's ally and its rich tonic and strength-supporting properties are known, with satisfaction, to millions. Build up your strength with the nourishing qualities of Scott's Emulsion.

Scott & Bown, Toronto, Ont.

NOTICE

Notice is hereby given that an examination for Registration of Nurses in the Province of New Brunswick will be held at the General Public Hospital, St. John, N. B. on Wednesday, March 26th at 10 a.m.

Application for examinations must be made to the Secretary of the Board of Examiners. All applications must be accompanied by fee of Four Dollars and be in the hands of the Secretary not later than Wednesday, March 12th 1919.

Made in Montreal, Secy of Board of Examiners of N. B. Association of Graduate Nurses.

PUBLIC MEETING

A public meeting, to which all interested in the welfare of the Miramichi Hospital are cordially invited, will be held in the magistrates Office, in the Town Hall, on Wednesday 29th inst. at 3 o'clock in the afternoon. Addresses will be delivered by Mayor Troy, Trustees of the Miramichi Hospital, Superintendent of the Hospital and President of the Hospital Aid, as well as by members of the medical profession.

EVERY TIME YOU BREATHE

you inhale cold germs, some of which are bound to lodge in the throat and breathing passages. You cannot prevent this. You can, however, prevent their development which sets up inflammation resulting in coughs, colds, bronchitis, sore throat and laryngitis. To avoid these troubles, keep the throat, nasal and breathing passages barred with the medicinal and germ-destroying vapor that is released when Peps is dissolved in the mouth. This vapor mingles with the breath and reaches the remotest part of the throat, breathing passages and lungs, destroying the germs and preventing infection. Suffered yourself by keeping a supply of Peps on hand in a box. All dealers or Peps Co., Toronto. FREE TRIAL package will be sent you upon receipt of this advertisement and 1c. stamp to cover return postage.

FERTILIZER

ORDER EARLY. - SHIP EARLY

WHATEVER may be the conditions as to general business due to the ending of the war, there is nothing unsettled as to the farmer and his supply of Fertilizer.

Twenty million tons of food must be shipped to Europe this year, and the Maritime Provinces must do their share. This spring will not wait to see how things are going to turn out, but the planting must be done or there will be no harvest.

There is to-day probably not more than half the fertilizer in Canada per crops require. The last three years has seen a great shortage, with every ton sold before the planting season began. There are no indications this season will be an exception.

To insure getting your supply-- Write the nearest general agent of the
