MELODY AND MOZART

Melody with Mozart was a pure gift and one which never failed him. Probably nothing in the whole range of his work may exemplify this better than the "Menuetto" recorded by the Elman string quartette. This delightful selection, at a cost of \$1.25, may be had in the Victrola Parlors of Ye Olde Firme of Heintzman & Co., Limited, 68 St. Paul street, St. Catharines.

"FLO-FLO"

Flo-Flo returned to the Grand last night and entertained a large audience. The piece will always be popular though it could be seen last night that it was not as good as a year ago due to changes in the caste. But it is a bright and catchy melody of fun and harmony, pretty girls, dancing, etc., and is timed to please the average theatre goer.

MUSIC AND DRAMA

"THE SERVANT IN THE HOUSE"

A notable revival of a remarkable play will be presented at the Grand Thursday night when Mr. Tyrone Power and a select company of players will be seen in Charles Rann Kennedy's famous morality play, "The Servant in the House."

This is the first production to be sent out by Trans-Canada Theatres Limited, the newly organized All-Canadian corporation which controls a chain of theatres from the Atlantic to the Pacific throughout the Dominion.

Theatre-goers will recall the sensation which the play created when it was first introduced twelve years ago and the controversy which arose over the astonishing portrayal of the role of "the Drunkenman," by Mr. Power.

Dramatic critics both in New York and in all the principal centres of the population throughout the United States and Canada, agreed that Mr. Power had created a character that was destined to stand out prominently among the most notable of a decade.

The high reputation which this distinguished actor has attained on both sides of the Atlantic has been largely built up through his uncompromising stand against any form of suggestiveness or impropriety upon the stage and his firm adherence to nothing but the highest form of drama.

An Old Recipe To Darken the Hair

SAGE TEA AND SULPHUR TURNS GRAY FADED HAIR DARK AND GLOSSY.

Almost everyone knows that sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome.

Nowadays we simply ask at any drug store for "Wyeth's Sage and Sulphur Compound." You will get a large bottle of this old time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

The Telephone Situation

Serving As Many As Possible

In communities in which telephone development is greatest there is very general use of two-party line service. Four-party service for residence purposes is also widely used.

We are recommending two-party service at this time because of the world shortage of telephone material. We wish to serve as many applicants as possible with the cable and central office facilities available. The general use of two-party service will mean double the number of installations that would be possible if we devoted all our facilities to individual line connections.

Similar conditions of material shortage are being met everywhere. It is one of the inevitable results of the colossal waste of war.

In extending two-party development we are endeavoring to meet a trying situation in a manner that will prove the convenience of telephone connection to the maximum number of applicants.
