Lines.

Written for a dear friend, John Henderson who, happy in the Lord, departed this life May 14th, 1877, aged years.

Only gone home, only just across the river;
Another pillow now, my fainting head to rest;
Safe on that anchor sure, I lie me down
To gain the farther shore, the golden crown.

Not parted long from thee, my mother dear:
Peace! oh be still and dry that falling tear,
Shed not another for the son that goes
To realms of bliss, on earth no mortal knows.

Only gone home to him who died for me;
Who died us all to save, who died for thee.
Who beckons me to come to his abode—
He points the way, I cannot miss the road.

Ayer's Cathartic Pills,

For all the purposes of a Family Physic, and for curing Costiveness, Jaundice, Indigestion, Foul Stomach, Breath, Headache, Erysipelas, Rheumatism, Eruptions and Skin Diseases, Biliousness, Dropsy, Tumors, Worms, Neuralgia, as a Dinner Pill, for Purifying the Blood.

Are the most effective and congenial purgative ever discovered. They are mild, but effectual in their operation, moving the bowels surely and without pain. Although gentle in their operation, they are still the most thorough and searching cathartic medicine that can be employed: cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

This standard article is compounded with the greatest care.

Its effects are as wonderful and as satisfactory as ever.

It restores gray or faded hair to its youthful color.

It removes all eruptions, itching and dandruff. It gives the head a cooling, soothing sensation of great comfort, and the scalp by its use becomes white and clean.

By its tonic properties it restores the capillary glands to their normal vigor, preventing baldness, and making the hair grow thick and strong.

As a dressing, nothing has been found so effectual or desirable.

A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellence quality; and I consider it the Best Preparation for its intended purposes."

Price, One Dollar.

Buckingham's Dye

FOR THE WHISKERS.

This elegant preparation is relied on to change the red or sandy beard from gray or any other undesirable shade, to brown or black, as desired. It is easily applied, one preparation, and produces instantaneously and effectually the desired result, which will neither rub nor wash off.

THE PEOPLE

ARE THE

BEST JUDGES,

And they award

The Highest Honors

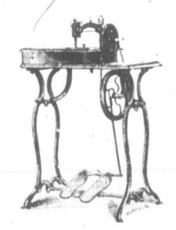
—OF—

THE DAY

TO THE

LIGHT-RUNNING

ROYAL



If a good machine you want to buy
I'll tell you where to call,
The best are sold by Fishers
So say the people all.
And they are always willing
To give every one a trial,
They sell the champion sewing machine
It is the Family Royal.
If you ain't got the money
You need not fear,
If you cannot pay the cash
They'll trust you for a year.
And when the year is ended
And the money is come due
You never need to be afraid
That they will trouble you.
There are other agents
That sell the Wanzer and the Howe,
But they will never trade
On a horse or yet a cow.
But Fishers, they are willing
That the Farmer too should live
And they will take in change
Whatever they will give.
So if you want to deal with them
You need not be afraid,
For they are always willing
And open for a trade.
The blacksmiths, they have dealt with them
And now their women smile
To think their men were sensible
And bought for them the Royal.
The butchers too, who live in town
Whose women used to scold,
Have bought from them the Royal
That's worth its weight in gold.
Their women now are singing
And on their faces smile
They say that sewing is but play
Since they have got the Royal.
The bakers too have purchased one
But not to mix their dough,
They say it is the best machine
That ever was to sew.
Mr. Henry has been in town
He knows that this is true,
So if you want to purchase
We would like to deal with you.

Purcell's Adjustable

SPRING BED.

(Patented, April 11th, 1877.)

The Cheapest, Easiest and Best in use.

The bed is constructed of longitudinal laths resting on independent springs, which does away with the uncomfortable effects experienced when persons of unequal weight are resting thereon. The laths may be removed with ease, and the springs are adjustable. There are 30 springs in the large sized bed. Wherever offered for sale they have met with a large sale.

Call and examine them at my store on Victoria Street.
