little favor:

the Commiserriage orious had the absequise Commission was ve de, that the ques-

was brought pofore the county council and a motion was carried by that body asking the Warden to memorialize the local Government to appoint a police magistrate for the county, to surb the flagrant violation of the Temperance Act which unquestionably existed-and which had undoubtedly been fostered by the negligence of the inspectors and the inertia of the Commissioners. Mr P. Kelly, of Blyth, one of the

Dominion Commissioners, was Warden of the county that year, and notwithstanding the instructions of the County Council, on one pretence and another, he declined to make the necessary memorial to the local Government. The question of his neglect of duty came up at the December meeting, and Warden Kelly Is it right to teach a boy to restrain to the crowding of our con his passions, and then vote to license a columns with articles for and December meeting, and Warden Kelly of the Council, atthough the formal vote of censure was not pressed.

Shortly before the December meeting boy, and vote license a place which will the Privy Council had declared the ruin your neighbor's boy? action of the Dominion Government, in appointing license commissioners and inspectors, ultra vires, and the enforcement of the Act once more fell upon the officers of the Lucal Government. The new appointees at once took hold, and in a short time the transgressors of the law were given to understand that a new order of things existed, and the strings would not hang so loosely as they had done under the former regime.

But no sooner were cases of violation of the law brought to Court than a of the law brought to Court than a DIDN'Ts gentleman named Sir Charles freste manner. All spe difficulty arose in the matter of conviction. In all cases unless where the desession that there would be no tinkerfendant pleaded guilty, an appeal from the decision of justices of the peace was obtainable, and then it was discovered natural products between Canada any previous artainment articles.
