ELECTIONS IN ONTARIO MAY BE BEFORE JUNE 15

Lieut. - Governor W. Mortimer proaching Elections.

Mortimer Clark. Very few members were present, and the attendance of the general public was smaller than usual. A salute of fifteen guns was fired by "B" Battery R.C.H.A., and His Honor was escorted by a detachment of Royal Canadian Dragoons. The speech from the throne was of considerable length. It said in part:

"It is reassuring to observe that there are already signs of a revival of the substitute of the matter, and there for Lady Viola Talbot, who made a second that girls making a total of six known dead.

It he Professor amputated the leg of another man who met with an accident, and from the amount at that with an accident, and from the amputated limb he remove that the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the with an accident, and from the amputated limb he remove the would lead to identification.

This he substituted for the undeveloped joint of his other patient. The bones joined up remarkably well, and the man of a lumber yard on Everett ave nuclealisms. The watchman locked Ross that he found Ross trying to set a pile of lumber on fire during that substituted for the undeveloped joint of his other patient. The bones joined up to set a pile of lumber on fire during it is now able to w which, owing to the financial strin-gency elsewhere, has been specially manent understanding will yet reached whereby this menace may b

"A carefully prepared basis for of law reform with a view t decreasing the appeals, expiditing the trials and lessening the cost of litigation, has been adopted by you. In order that this reform may have full consideration it has been thought desirable that a year shall elapse before the conditions shall be crystalized in the conditions of the condit to an act of this legislature.'

of pseudo mystery. He had hoped to signally.

NOBLE VISITORS TO TOUR U.S.

War During S. A. Campaign.

London, April 17.-Lord and Lady rica, and afterward secretary of state for India. Lady Midleton was Miss Madeline Stanley, a daughter of Lady St. Helier by her first marriage to Colonel the Hon. J. C. Stanley, and played a prominent role at the famous entertain ments which were given in London by her mother when the latter still bore the title of Lady Jeune. Sir Francis Jeune, who died as Lord St. Earl of Wemyss.

the king's embroiderer, and whose son, baronet in his line. From this it having bequeathed by way of a memorial to his father, a sum of money to the Ancient Broderers' company or guild, in London, for the benefit of the poorer members of the company, which for hundreds of years has enjoyed the prerogative of furnishing—at a steep price, it is true—the "hearse cloth," or pall, used at royal funerals.
