New Model Collapsible Lounges.

With the approach of really warm, summer days all one's plans for the summer cottage come into action, and the first thought of the housekeeper is generally that of comfortable sleeping accommodation, combined with economy of space.

Here is where our New Model Collapsible Lounges come to the front; of light, strong manufacture, full sized spring mattress when extended, and easily manipulated by means of an adjustable foot brake, these Lounges are particularly suitable for summer residences. They can be folded during the day, and by means of rugs and cushions made into luxuriously comfortable seats, while a couple of minutes transforms them into perfect beds for perfect rest at night. These Lounges are very reasonable in price. Come and see one demonstrated in our store, you'll be charmed with the result.

TRAPNELL The Eyesight Specialist

Examines the eyes without DRUGS, DROPS or DANGEL. He not only finds the trouble, but with his perfect optical machinery he can grind the correct lenses to suit the most complicated cases, and do it quickly.

There was a time when all compound lenses had to be sent out of the country for, involving a delay of three or four weeks, but that day has passed; an hour or two is sufficient to produce any lens that may be called for.

Prescriptions filled or broken lenses replaced if you have the pieces.

Dear Sirs:—

In acknowledging receipt of cheque in payment of my endowment policy now maturing, I wish to thank you for the prompt way in which you have put my claim through. I did not have to wait a single day for my money as the papers were all in order beforehand.

I am pleased, too, with the way my investment has turned out. Besides having my insurance protection for \$1,000, I have got all my money back and \$400 besides. The Canada Life has my best good wishes for its continued success.

Yours truly,
R. H. KNIGHT.
