The New Suspension Extension Slide 4 Drawer Filing Cabinet

The goal of every File builder has been a suspension slide that would not take up side room.

This new letter and legal cap file is a success because it has a Suspension-Extension slide which takes up no side room and the price complete is only \$40.00.

This new Letter File is one inch narrower than the next best metal file and two inches narrower than a wood file.

The Suspension-Extension slide is the biggest single advance made in the manufacture of Steel Filing Cabinets.

You have been accustomed to buying steel letter and legal cap files that were expensive and clumsy.

Now, we can offer you a File made by the largest exclusive manufacturers of Steel Office Furniture; a File with the suspension-extension problem solved; a file that is beautiful and ornamental in every way.
