Prohibition Carried.

Last night the poll for St. Barbe's was declared, showing that 1,069 electors had voted for Prohibition and 5,348 against it. There is thus a majority of 19,617 for Prohibition, and this satisfies overwhelmingly one of the conditions laid down by the Legislature for the bringing of the Prohibition Act into force on January 1st, 1917. A second condition was also laid down to bring the Act into force and that was the number in favor of Prohibition should reach 40 per cent. of the Revised List of Electors of the Election of 1913. The number on this list was 61,451, and the number of votes required was 24,581. This vote has been exceeded by 284 votes, the number of votes polled for Prohibition being 24,965. All the conditions to satisfy the form of the Statute have thus been complied with and the Prohibition Act will come into force on the date provided. A little more than three-fifths of the voters who recorded their votes at the last General Election voted at the Prohibition Election. The two-fifths who did not vote include those who were away in the woods and who had no facilities to return to their districts to vote, those who were overseas on military and naval service, those who were indifferent and did not care whether prohibition was carried or not, and those who considered that abstention from voting was a way of opposing prohibition. The majority in favor of prohibition is decisive and definite. It shows unmistakably the feelings of the electorate. The number of electors who voted in favor of prohibition shows not only an overwhelming majority over those who voted against it, but the number of electors who voted in the affirmative is approximately 2,500 more than the number of voters which sustained the Morris Government at the last General Election.

Cathedral Finance Committee.

\$100,000 Loan Called for by Archbishop Oversubscribed.

A meeting of the Cathedral Finance Committee was held in the Episcopal Library, last evening at 8.30. The following gentlemen were present: Rev. J. J. McDermott, Admin.; Rt. Hon. Sir E. P. Morris, Hons. M. P. Cashin, J. D. Ryan and J. J. Murphy; Inspector General Sullivan; Messrs. J. F. Parker, W. J. Ellis, M. J. Kennedy, C. O'N. Conroy, J. M. Kent, John Barron, George Shea, J. V. O'Dea and J. J. Tobin. His Grace, the Archbishop presided.

Mr. J. M. Kent, the Secretary, read the minutes of the last meeting which were adopted. The Archbishop in opening the meeting reviewed the progress that had been made in connection with the raising of the proposed loan. He stated that the response had altogether exceeded his anticipations. He was pleased to be able to state that although it was only a month since he had issued the circulars asking for subscriptions already the loan of \$100,000.00 for which he asked the congregation had been oversubscribed. This he described as being very gratifying to himself and as being a matter of congratulation to the Catholic community generally. He further intimated that the subscription list to the present loan might now be regarded as closed, but that he intended issuing bonds to the extent of \$50,000.00 more in the Spring and he stated that applications for this loan would be received between this and the spring. The meeting then discussed the details in connection with the issuing of the proposed bonds, and the matter of preparing the issue was referred to a committee of the following gentlemen:—Hons. M. P. Cashin and J. D. Ryan, Messrs. C. O'N. Conroy and J. M. Kent.

After some further discussion as to the finances of the Diocese the meeting adjourned.

THE NATIONAL POULTRY SHOW will be opened on Wednesday, Nov. 24th, at 3 p.m., by His Excellency the Governor, and will be continued for three days. Open daily from 11 a.m. to 10.30 p.m. Exhibitors can obtain season tickets from the Secretary, price 20 cents. General admission, 10 cents. Ten per cent. of door receipts go to the Women's Patriotic Association, and the ladies of that Association will have candy for sale.

Feildian Club Meets.

The Feildian Club met in the College Dining Hall, last evening a good number being present. The Secretary-Treasurer, Mr. F. E. Outerbridge, presented the Financial Statement, showing that the finances of the Club were in a flourishing condition. The meeting decided that the main object of the Club from henceforward would be the assisting of Bishop Field College, in various ways, rather than providing for the social enjoyment of the members though the latter object would be kept in view as far as convenient. The annual dinners and other social functions will be abandoned until the close of the war when it is hoped that the Club will be in a position to welcome back those returning out of the one hundred and fifty Old Feildians at present serving King and Country in a befitting manner.

It was further decided that the first object of the Club at present would be to provide an Honours Board for the College to contain the names of all Old Feildians who had volunteered for active service, and special Memorial Tablets for those who had fallen. A committee consisting of the following gentlemen was appointed to take charge of this matter:—Messrs. W. W. Blackall, R. R. Wood, P. E. Outerbridge, H. A. Winter, H. Blackall, Reg. Dowden, R. W. Jeans, F. R. Emerson, I. J. Samson, G. House and O. Bown. The Club will arrange a series of debates to take place in the College during the forthcoming winter season.

"LOOKED THE PART."

Men must look right and be right to command success. Clear eyes, clear skin and clear brain mean money to the man who possesses them. Dull eyes, sluggish brain and a pimply blotchy skin are a serious handicap. O'Mara's Hypophosphites will remove pimples and blotches, brighten the eye and increase vital power by giving you pure blood and good circulation. Price \$1.00.

We recommend it because we know what it contains.

IN AID OF W. P. A.—A Sale of Cakes, Puddings, Fancy Goods, etc., will be held in the Ladies' Reading Room, Lyon Building, Water Street, on Dec. 21st. Keep this afternoon open.

STILL MISSING.—There is still no word of the fishing schr. Swallow, Capt. Dawson, bound from the Labrador to Bay Roberts with 16 lives on board. When the craft left Labrador 19 persons were on board, but three people left at Seldom Come By. There the Swallow was harbored in company with the Blanche M. Rose, which was abandoned in mid-ocean. Both crafts left Seldom about the same hour and the Swallow has been unheard of since. The Cabot left here last evening to make a thorough search for the missing craft.

The Christian Brothers' Collection.

On Sunday next our Roman Catholic fellow citizens will be called upon to give a practical expression of their appreciation of the services of the Christian Brothers in the cause of education, and the moral training of the youth of this city. On Sunday the annual collection takes place at all the R. C. Churches, and we have no hesitation in predicting that the response to this appeal in aid of those devoted teachers will be a most generous one. The contributions of last year proved conclusively that despite the many demands upon our people, they were cognizant of their indebtedness to these men who have accomplished such ennobling work since their advent amongst us. The world at large owes much to the teachings of the Irish Christian Brothers and Newfoundland in particular is stamped with the brand of all that is best in citizenship and right living, inculcated by the teachings of this self-sacrificing organization. In our midst we have men who, as His Excellency the Governor remarked at a public gathering some time ago, might easily make their mark in the pathways of literature, art and science devoting their lives to the education of the youth of the city. To them the people of St. John's owe a debt that neither gratitude nor money could fully repay, but on Sunday an opportunity will be offered our R. C. citizens to make "payment on account" as a further expression of their indebtedness to these noble teachers. We hope that the collection on Sunday will be a record one.

All Parcels Sent to Soldiers Should Contain Zam-Buk.

A man from the front made this pointed out, and extracts from many letters we have received from the firing line and from Canadian camps bear this out.

Sapper G. T. Webster, 2nd Field Co., Canadian Engineers, writes: "We find Zam-Buk of great benefit here in camp for sores, cuts, bruises, sprains, etc. I would not be without it."

Corp. J. C. Fremelin, 10th Field Ambulance, writes: "I have found Zam-Buk a great remedy for foot-soreness and also for rheumatism. A box I received the other day was shared us and used up in a few minutes."

Lance-Corp. Delaney, 2nd Royal Irish Regt., who has been awarded the Distinguished Conduct Medal, writes: "Zam-Buk out here is like a loaf of bread to a starving man. We had a forced march of 37 miles, and not a man who used Zam-Buk on his feet fell out."

Sergt. F. Bremner, 8th Canadian Mounted Rifles, writes from Barrie field: "Zam-Buk has proved most valuable for cuts, sores, blisters, etc. It has been a true friend, and we never fail to include it in our kit."

Private Johnson writes: "Mrs. offered to send me a rug. I have written to tell her to send out Zam-Buk instead. It will be of far more use." For sore feet, chafed places, scald sores, barbed wire scratches, cuts, abscesses, cold sores, chapped hands etc., Zam-Buk is a veritable marvel. It stops the pain and heals so rapidly. Here it costs but 50c. a box. Put at the front to your friends in the trenches and engaged on communications, is priceless. Send a few boxes in your next parcel. Remember also that for similar injuries sustained at home it is just as good.
