Lord Roberts' Report of Recent Operations.

Complaints of the Cowboys and Muleteers From South Africa.

Expenses of the War Expected to Total Fully \$500,000.000 -- Praise for Canadians

London, Nov. 13 .- Under date of Johannesburg, Nov. 12, Lord Roberts telegraphs to the war office as follows:

"Rundle reports skirmishes with small parties of Boers in the Harrismith, Reitz and Vrede districts recently. The commandoes appear to be acting independently and with no object except to give as much annoyance as possible to the British. Our casualties in these skirmishes were two killed and seven wounded.

"Douglas arrived at Ventersdorp on Nov. 11, from Zeirust, capturing dur-Marquez, as soon as he can lay his ing the march 21 prisoners and a quaning the march 21 prisoners and a quantity of cattle and sheep. Ventersdorp, which has been a depot of supplies for the Boers, will now be cleared out." COWBOYS' COMPLAINT.

One hundred and forty American cowboys and muleteers who went to South Africa on British mule transports arrived in London Saturday. They are loud in their denunciation of their treatment on the home jour-ney, and intend to formally complain to the board of trade. They declare the rations served had to be thrown overboard; that they would have starved had they not paid exhorbitant rates for extra rations, and that they were berthed over horse stalls, where the heat and odor were unbearable. COST OF THE WAR.

Parliament will assemble Dec. 3 to rote the expenses of the war in South Africa, which are now expected to amount to fully £100,000,000. Before Christmas an adjournment will be taken until the end of January.

CANADIAN DEAD AND WOUND-ED.

London, Nov. 12.—The war office re-ports that Pte. A. F. Van Norman, No. 1,263, of the Royal Canadian Regiment, died of enteric fever on Nov. 7, and that Corp. A. A. McDonald, of the D Battalion, C. M. R., was slightly wounded in an engagement at Belfast on the 5th inst.

Ottawa, Nov. 13. - Pte. Van Norman joined the first contingent in Toronto as a member of C Company. He was one of the permanent school in that city. Wounded in the first engagement at Paardeberg, he was for a long time in the hospital. Finally he returned to duty and was in a few weeks taken ill with enteric.

A cable from Sir Alfred Milner says that Corp. McDonald, 1st Battery, C. M. R., was slightly wounded at Belfast on the 5th of November.

A letter from Major William Hamil-

ton Merritt, of Toronto, now serving as A. D. C. to General Brabant, one of Lord Roberts' brigadiers in the South African campaign, says he looks forward to an early termination of the campaign. The colonial brigade of 2,500 men has had 500 casualties, been in 16 fights, 70 engagements of one kind or another, and marched over a thousand miles, and, as Major Merritt puts it, has had enough.

HIGH PRAISE.

Toronto, Nov. 13 .- On Oct. 5, believing that all the Royal Canadians were at once going home. Gen. Smith-Dorrien, according a a letter just received by Capt. Mason, sent the following telegram to Col. Otter. of using Vapo-Cresolene—they breathe it.

the Royal Canadians: "Erst Fabrieken, Oct. 5, 1900 .- No words can express my disappointment at not seeing you and your gallant Canadians again before you leave. Please say goodbye to all ranks; wish them for me great good luck, and tell them that I feel that any credit I may have gained in this war I shall owe largely to the splendid way the Royal Canadians served me. I shall always hope for the time when I may have the honor of commanding them again, There are no finer or more gallant troops in the world."

MET ON THE VELDT. St. Thomas, Nov. 13.-In a letter to his family from Percy Ermatinger, dated Middleburg, Sept. 26, he says: "I met a young Cline on the field one night about 4 o'clock, and we watched French's guns firing, but it was more interesting to talk over old days and about all the boys. I saw some of the Canadian artillery on my way up from Pretoria a month or so ago, and they told me that they knew Barrett, but he was sick, but they did not know where." He again refers to the loss of his diary when he was captured. expresses the intention of writing an account of the part of the campaign he has been through, when opportunity permits, and is hoping for a return

home by Christmas. CLAIMS \$100,000.

Paris, Nov. 13 .- Dr. H. L. McAuley. of Chicago, who has arrived in this city from the Transvaal, says he intends to present a claim for \$100,000 damages against the Portuguese government for imprisonment at Lorenzo Washington. He says he is one of the few Chicago members of the Red Cross Society who refused to tear off the badge of the organization and shoulder a rifle in behalf of the Boers. Throughout the war, Dr. McAuley alleges, he stuck to the ambulance and tended both the Boer and British wounded. Dr. McAuley is very incensed at the treatment which he declares Americans received at Lorenzo Marquez, being singled out for arrest among all refugees. He himself, he adds, was thrown into prison for six days, finally being shipped off to Europe by Trieste without a charge being made against him or being placed on trial. All his surgical instruments and personal effects, to the value of \$700, disappeared during his incarceration

### TWENTY YEARS STANDING.

Trouble of a Norwich Farmer Who Was Relieved by Dodd's Kidney Pills.

Norwich, Nov. 12 .- For twenty years Mr. Wilbert Woodward, of Willow Dell, has suffered with backache. He grew so bad that he was confined to his bed two days out of a week. His farm suffered for the lack of the eye of its master, and Mr. Woodward made every effort to find a cure for his

He says: "I tried everything I ever heard of, but no cure. Last fall I heard about Dodd's Kidney Pills, and I bought three boxes of them from Mr. Bannon, of Norwich, and I am happy to say they have done me more good than all the other medicines put together that I got from the doctor. My wife takes Dodd's Kidney Pills also for lame back and rheumatism, and finds them grand. I hope any persons suffering as we did will try these remedies. I would willingly pay two dollars a box rather than be without Dodd's Kidney Pills in the house.
