WEEKLY REVIEW. WEERLY REVIEW.

Very light grain receipts have been the rule all week. The demand was good, and prices very firm, and in the case of oats a gain of 3c was made. The bulk of offerings were wheat, oats and seed corn. Hay—Prices were a shade easier, \$7.50 to \$8.50 being the range.

Dressed and live hogs were both high, the former selling at \$8 to \$8.50, and \$6.25 to \$6.50 for live.

LIVE STOCK MARKETS. TORONTO, April 30.—Trade is better here than it is in the old country, said more than one exporter at the cattle marhere than it is in the old country, said more than one exporter at the cattle market today. Apparently this seems to be true, for in spite of a little weakening in prices in England, business here is keeping remarkably good. In all classes today prices had a stiffening tendency. An exceptionally fine lot of well-fed and finished export cattle were brought in by Mr. Grough from the Elmira and Waterloo district, where the German farmers evidently know the art of feeding cattle thoroughly. Joseph Gould bought these, the price, it is understood, being \$5.25, though the deal was kept very close; that is a top price, and cattle must be very good to reach it. Mr. Dunn paid \$5, and Mr. Dean paid \$5.12½ for export cattle today. Good butcher cattle were a little stiffer; middling cattle sold at \$3.20 to \$3.70; choice picked butcher cattle fetched \$4.10 to \$4.40; stockers were not plentiful, and prices are firm. The sheep and lamb trade was good and steady to firmer grain-fed lambs were worth \$4.75 to \$5.75; top price for hogs, steady at \$6.75. The total delivery was 74 loads, with 1,400 head of cattle, 129 calves, 620 hogs and 200 sheep and lambs. C. Heal, of Mitchell, sold a load of exporters at \$4.90. W. H. Dean bought about 9 loads of exporters, 1,200 to 1,400 lbs, at from \$4.75 to \$5.12½. Jesse Dunn bought a load of exporters, 1,270 lbs, at \$5. Maybee & Zeigman bought stockers at \$3.05. Wesley Dunn bought 150 yearling lambs at \$5.05; 11 spring lambs at \$4.02 each; sheep at \$3.75. Alex. Levack bought 20 good butcher cattle, 1,000 to 1,080 lbs, at \$4.00 J. Halligan bought a load

Pain In the Joints may be muscular or rheumatic. The joints are hard to get at, and it requires a powerful, penetrating remedy to reach to affected parts. Polson's Nerviline exactly meets the requirements, for it is both powerful and penetrating. The pain is expelled as if by magic, for one drop of Nerviline equals in strength five drops of other remedies. You won't often call the doctor if Nerviline is in the house. Price, 25 cents.

# DECISION!

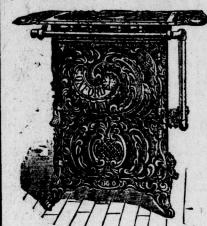

Made by the Miners' Federation of Great Britain.

All Will Quit Work Unless the Coal Tax is Withdrawn.

London, May 1.-At a meeting or the Miners' Federation, held in London this morning, and attended by delegates from all parts of the United Kingdom, it was resolved that all miners quit work unless the coal tax should be withdrawn. Another meeting was summoned for May 7 to decide the matter and to fix a date for the stoppage of work should that step be resolved upon.

To cure a cold in a night—use Vapo-Cresoene. It has been used extensively during more than twenty-four years. All Druggists.
