battle, but Nelson, cool and relentless, put up the better fight. He followed his more experienced opponent at every step, and at the end of the fifth round had rendered Corbett incapble almost of defending himself. The battle was to have gone 20 rounds under Queensbury rules. The men weighed in at 130 pounds, and in the betting 'Baitling" was a 10 to 8 favorite. The gate receipts amounted in the neighborhood of \$15,000.

THE STORY BY ROUNDS. In the first round Corbett danced about for fully a minute, trying to draw Nelson on. Then he quickly shot a straight right over the heart and missed a similar attempt. More sparring followed and Nelson planted left to the stomach and Corbett drove his left hard to the face, bringing a thin stream of blood from Nelson's mouth. Corbett put two lefts to the body and then drove his right to the body. Nelson then sent Corbett back to the ropes with a straight right to the forehead. Then they mixed it fiercely, Corbett landing a vicious left to the face and a right high on the body as the bell clanged. The advantage was

CORBETT'S FIERCENESS. Corbett waded in in the second, mixing it fiercely, but did not land. They kept at close quarters, Corbett landing short arm rights and lefts to the jaw. But does NOT Tell Him All. Consults A Physician Few women confide fully in a physician. They simply will not tell him all. That's why many doctors fail to cure female diseases. Every woman dreads the ordeal of the physician's consulting room.

A sensitive, refined woman shrinks from the searching questions and the physical examination.

It is not so in writing to Mrs. Pinkham. Thousands of women owe their present health and happiness (yes, and their good looks, too) to the fact that they have told all their physical troubles to Mrs. Pinkham and followed her advice and been cured of female diseases.

DEAR MRS. PINKHAM: -I suffered intensely with suppressed menstruation and pain every month for years, and could get no relief from physicians' prescriptions or other medicine. I was advised to try Lydia E. Pinkham's Vegetable Compound, and did so, and in a very short time the flow was regular, natural and without pain. I am, indeed, a grateful, happy woman for what Lydia E. Pinkham's

Vegetable Compound has done for me.

Teams Picked From the Two Divisions for Saturday Night's Game.

On Saturday night, in Toronto, teams representing the eastern and western divisions of the O. H. A. are to play. The teams have been selected and their composition is a guarantee that the game will be fast. On the western line-up are two men from each of the Stratford, Galt and Berlin teams, and one from Goderich, London being omitted. Toronto, as usual, has played hog by having five Queen City men on the castern line-up, leaving only two outsiders on the team. Both of the latter have been chosen from the Barrie club. The line-ups will be:

He was surprised at how the sores healed—"I took your New Method Treatment for a serious blood disease with which I had been afflicted for twelve years. I had consulted a score of physicians, taken all kinds of blood medicine, visited Hot Springs and other mineral water resorts, but only got temporary relief. They would help me for a time, but after discontinuing the medicines the symptoms would break out again—running of the glands, palms of the hair, swellings of the glands, palms of the hands scaling, itchiness of the skin, dyspeptic stomach, etc. I had given up in despair when a friend advised me to consult you, as you had cured him of a similar disease 8 years ago. I had no hope, but took his advice. In three weeks' time the sores commenced to heal up and I became encouraged. I continued the New Method Treatment for four months and at the end of that time every symptom had disappeared I was cured 7 years ago and no signs of any disease since. The first indication of croup usually comes about midnight, when the child is suddenly awakened by a paroxysm of suffocation and a dry, harsh, ringing cough.

There is no time to call a doctor and to prevent suffocation the spasm must be broken up at once and the false mucous removed. This can best be accomplished by use of an emetic, such as a teaspoonful of powdered alum in sugar or syrup, mustard in warm water or a teaspoonful of warm lard. In the absence of these remedies vomiting may be caused by tickling the throat with the
