Good Red Blood A Real Nerve Tonic

Weak, Watery Blood the Source of All Nervousness

"If people would attend to their od, instead of worrying themselves said an eminent nerve specialist, we doctors would not see our consulting rooms crowded with nervous wrecks. More people suffer from

worry than anything else."

The sort of thing the specialist spoke of is the nervous, rundown condition caused by overwork and the many anxieties of today. Suf-ferers find themselves tired, lowspirited and unable to keep their minds on anything. Any sudden noise hurts like a blow. They are nerve pains are part of the misery. and it all comes from starved nerves. Doctoring the nerves with poisonous sedatives is a terrible mistake.
The only real nerve tonic is a good supply of rich, red blood. Therefore to relieve nervousness and run-down Miss O. Norton; temperance, H. should be taken. These pills enrich the blood, which tones the nerves, improves the appetite, gives new held in strength and spirits, and makes Union. hitherto despondent people bright and cheerful. If you are at all "out of serts" you should begin taking Dr. Williams Pink Pills.

You can get these pills through any dealer in medicine, or by mail at 50 cents a box or from The Dr Wil iams Medicine Co., Brockville, Ont.
