BUILD ON THAT VACANT LOT, and help relieve the housing problem. By special arrangements with one of London's best building contractors and with a lumber merchant who is in a position to finance these buildings, I can build a home for you at a greatly reduced price.

It will surprise you to see the house we can erect for \$6,038.

See our red brick modern bungalow with fireplace and oak floors for \$4,040, and with only \$750 down.

Our story and half wide brick, fully modern, for \$3,300, with only \$500 down.

And the prettiest frame cottage, fully modern, for \$3,000, only \$500 down.

Stucco on any of the above is less. If you own a lot you will be well paid by making inquiries at our office for further particulars.

Volume of business only warrants the above prices.

Let one of my salesmen show you a sample of any of these.

If you are looking for an opportunity to secure a home on easy terms, inquire about lots in Argyle Park. We have lots from \$110 up to \$450. With \$50 cash payment we can supply lumber to build. Monthly payments on lumber and lot will not cost as much as renting the same house in town.
