TUES AV MORN NO, NOV. 27 1889.

THE GRAND TRUNK SERVICE.

Mr. Hickson has turned the best reources of the Grand Trunk and his own energies into the acquirement of more lines. It is about time he devoted his attention and the revenue of the road into an improvement of the service. Or if he is determined to be a railway magnate or railway diplomat then he should turn the administration of the road over to men who can attend to ir. Of their passenger service it

(1) The stations of the Grand Trunk are as a general thing dirty, in-lighted, badly convenienced, poorly looked after, and the men employed about them cheap and often

(2). The trains are not run on time, The rule is that a Grand Trunk train is late. (3). The trains are too few in number. (4). Faster time ought to be made.

(5). The cars are dirty, overheated, and often crowded. This applies to first as well as second-class cars.

(6). The sleeping cars are the old stock of the Puilman Co., the porters and conductors of them are tip-hunting and insolent, and they are too expensive. We, therefore, advise Mr. Hickson to look

for a good model and improve on it if pos-Let him travel over the Pennsylvania

road, for instance, and observe: The well appointed stations. The clean cars.

The attentive trainmen.

After all the discounted tract-broking and contract-mongers at tract-broking and contract-mongers at tract-broking and contract-mongers at tract-broking and contract-mongers at taken great pains to track the same of the government printing.

The discounted tract-broking and contract-mongers at taken great pains to track the same of the government of the great pains to track the same of the government and municipalities.

The discounted tract-broking and contract-mongers at taken great pains to track the great pains to th stance that must not be forgotten when comparing the Globe of to-day with that of the past. Since Gordon Brown was put out the Globe has never expressed an outright opinion save when it was denouncing opponents. It is only a slavish organ in the hands of weak men. There are three attitudes always open to a journal and a politician: he may approve, or he may say nothing. The Globe, prove, or he may say nothing. The Globe, is the control of the part of the more of the man and the part of the par

when it does not apologize for its friends, takes refuge in shutting its eyes and mouth seeing nothing, saving nothing.

Is it because the Globe has a job room like Wilson making \$7000 out of the gov-

Somerville, M. P. Now "Jim," as they call him throughout the countryside, is a first-class auctioneer at a country sale of "farms, stock and implements." can deliver a temperance oration and is a strictly moral citizen. But in things political he is in clined to "go off." He honestly believes that an honest tory is an impossibility; he honestly believes that an honest reformer is the only kind that grows. Jim sadly went off at Ottawa last session when he made his maiden speech, his subject being printing contracts. In his paper of last week he has gone off again. The Hamilton Tribune had said that the Mowat govern.

Tribune had said that the Mowat govern.

Brantford, Nov. 23.

Tribune had said that the Mowat government is now "tottering to its fall." The Banner replied by saying that the assertion was not true; that the Tribune lent its

For the furtherance of the vindictive spleen of a disappointed and treacherous politician who is even now eating the bread which is provided for him by the office to which he was but recently appointed by the man whom he is now traducing and the government whose overther who is seeking to bring about. That the political Judas to whom we ref. rwill eventually meet with a just reward for his base treachery we have every confidence. That a man who for years controlled the political columns of one of the leading—if not the leading—teform journals of Ontario, should so far forget himself and his principles as to weak his vindictiveness upon his own friends, is beyond our comprehension. But while the world lasts we suppose the race of Judas will never become excinct. Just now it is believed that the chief of the tribe resides in Toronto and that the chief of the tribe resides in Toronto and that the chief of the tribe resides in Toronto and that the chief of the heast will be gratified. and never become excinct. Just now it is believe that the chief of the tribe resides in Toronto an olds an appointment from the Ontario govern ent. That the desire of his heart will be gratial by seeing the overthrow of the Mowat governent we do not, however, relieve, and it is well at reformers should know just who it is that is attributing to the availant new just who it is that is a tributing to the availant new just we have the content of the conte

Gordon Brown of course is meant. Th Tribune says the charge is without foundation and the attack is as false as it is contemptible. We happen to know some thing about the situation, and can endorse all that the Tribune says. Mr. Brown since he took office has carefully avoided any expression in any way of his views.

If Mr. Mowat knows when he is well off he will not provoke the hostility of Mr. Brown, by allowing his organs to malign him as the Banner has done. If there is any one man who can turn that government out of office quicker than another it is Gordon Brown.

Dr. Nelles is asked a significant question by a "Methodist" in a letter to the press. He says : "Dr. Nelles does not see why the supporters of church colleges 'should submit to bear taxation,' for the support of a state college. Would he advocate the establishment of separate methodist schools of all grades? And if not, why colleges? Is it only methodist youths, and not their younger brothers, who are liable to secular contamination? But his argument will both ways. What if some churc

three best societies in the state, and these figures are taken from their reports, and look lasting, don't they? On the other hand a stock company is compelled to de-posit with the government \$50,000. Besides this, they are required to have assets equal to 41 per cent of all risks carried by them. Therefore when a stock company ceases doing business the government holds \$50,000 and the assets of the company to re-in sure the policy holders in some other stock company. I do not wish to advice the aged, but the young to insure in some young company that has all the improvements on the old plan of insurance and you AGENT. will never regret it. Madoc, Nov. 24.

> FORCED IMMIGRATION. To the Editor of The World.

forces an undesirable class of immigrants into Canada, made up of the pauper and dangerous surplus population of Europe we have to support and to encounter this pauper competition of the riff-raff of Euronean monarchies.

in the new world is a class of undeveloped to the domination of Great Britain, resigne beings who possess no other intelligence ously to set about approximating thereto.

And as for that Pullman Car Co. he ought to deal summarily with it now that its contract is about expiring. Let the Grand Trunk put on its own sleepers, the best that can be built; let this insolent middle man, so to speak, and its rapacious servants go about their business.

taxation for this object; I am already taxed to sustain secular collegiate education by the church; the state; why should I be taxed again to the state; why should I be taxed again to customs at variance with manbood and common sense. This class of beings flood new countries with their servility, and have little or no respect for the systems which led from the city so many years before. When the British, in 1776, only two many feel thus, but they submit to the about their business. than to serve titled masters and show a many feel thus, but they submit to the second tax—as I have done for one—because they wish to have an educated ministry, and their church refuses to confine its own to find out that Mr. Crooks has lost his to find out that Mr. Crooks has lost his head. We doubt if he is any more crazy now than he was when he played duck and now that they submitting, there are unfit for the ducties of unitary. Such beings as these are unfit for the ducties of unitary, there is to the vanity in human nature, which second tax—as I have done for one—because they use every deties in their power to gull the people and flatter them by cajolery. ASSURANCE COMPANY.

The progress of the company is shown by

The enormous increase of discounts the past four years, already referred to, has been absorbed in various ways, in land speculations in Manitoba and the west, and partly in the protected industries, such as cottons, woolens, sugars, etc.; but mainly found employment in the importing business, which has so rapidly expanded of late. But failure in western lands to yield returns in farm produce and the locking up of capital in doproduce and the locking up of capital in do-mestic industries, are secondary in their effect upon the general trade, when com-pared with the embarrassment caused by an adverse for ign trade. For example, with \$10,000 capital and a good credit, an importer may purchase \$50,000 worth of goods. By the activity of salesmen and travelers they are speedily sold and accounts squared by promissory notes. These are squared by promissory notes. These are endorsed and diccusted at the bank, and the banker made liable for the exchange which pays the manufacturers bills, and that transaction completed the operation is

She can play a "Fantasia" or "Nocturne" with skill;

She's always self-satisfied, graceful and cool;
A critic, both just and correct as a rule;
And knows every stitch of the Kensington school,
But she doesn't know chicken from turkey.
She can work a design by Lansing or Burt;
But she cannot cut out for her children a skirt,
Or make for her husband a well-fitting shirt—
She doesn't know chicken from turkey.

Should German and French and Italian speak;
And be 'up' in the latest e-th-tical freak,

It she only knows chicken from turkey.
I'd like her in music and song to take part;
Read poetry, science and cultivate art,
If husband and children were first to her heart, And if she knew chicken from turkey. And if she knew chicken from tarkey.

Knew barley from rice, knew a tart from a pie;
A boil from a stew, a broil from a fry;
And if she went into the market to buy.

Knew very well chicken from turkey.

For, to make a home happy, all knowledge must blend
Art, science and service their benefits lend;
Then, ladies so clever and wise, condescend
To know about chicken or turkey.

Now, here comes the moral of this little tale, For she went to where cookery books were for sale.

And made known her desire to the clerk. He,
