

A TRAVELER'S EXPERIENCE.

THE LIFE OF A COMMERCIAL MAN
NOT ALL SUNSHINE.Constant Travel and Roughing it on
Trains Weakens the Most Robust—The
Experience of a Halifax Merchant
Writes on the Road.

(Acadian Recorder, Halifax, N.S.)

Mr. Percy J. A. Lear, junior partner of the firm of Blackadar & Lear, general brokers, 60 Bedford-row, Halifax, N.S., comes from a family of commercial travelers. His father, James Lear, was on the road in Lower Canada with drygoods for 23 years, and few men were more widely known and esteemed, and the general Percy himself has just retired from the ranks of the drummer, after a varied experience as a traveler, which extended over 17 years and embraced almost every town and village in Canada from the Atlantic to the Pacific. He is an extremely popular young man, a leading member of the Maritime Fraternity, an officer in the 63rd Regiment of Militia, and a rising merchant.

"How come it that you are so fat and ruddy after such a term of hustling railroad life?" asked Mr. Lear's questioner.

"Well," was the answer, "it is a long story, but one well worth telling. I weigh 150 pounds to-day and am in better health than I ever before enjoyed in my life. Two years ago I got down to 135 pounds. Constant traveling, roughing it on trains and in country towns broke me up and left me with a nasty case of kidney complaint and indigestion. My head was all wrong, my stomach bad; I was suffering constant pains and distress, and my urine was extremely thick and gravelly. I began to get scared. I consulted several physicians at Montreal, real, Winnipeg and other cities, but their treatment did not give me lasting relief. One day I bought a box of Dr. Williams' Pink Pills, and I made up my mind to give them a good trial. They seemed to help me, and I bought a second, third and fourth box, and they cured me. My stomach was all right, the distresses left my head more lucid, and all traces of my kidney disease disappeared. I was a new man, and gained flesh immediately, and have never been troubled since. I consider my cure astonishing, because kidney complaint, especially gall stones, is hereditary in our family. Helped by my father to an early grave, and an uncle on my mother's side, Dr. Williams of Sydney, Australia, had been a chronic sufferer from gall stones from boyhood. I was so impressed with the virtues of Dr. Williams' Pink Pills, that I took the trouble to send Dr. Williams two boxes all the way to Australia. Since my discovery of the benefits of these wonderful little pink-coated exterminators of disease, I have recommended the remedy to all my friends, and could enumerate dozens of cases where they have been efficacious."

An analysis shows that Dr. Williams' Pink Pills contain a condensed form of the elements necessary to give new life to the blood and restore shattered nerves. They are an unfailing specific for all diseases arising from an impoverished condition of the blood, or from an impairment of the nervous system, such as loss of appetite, depression of spirits, nervousness, chlorosis or green sickness, general muscular weakness, dizziness, loss of memory, locomotor ataxia, paralysis, sciatica, rheumatism, St. Vitus' dance, kidney and liver troubles, the after effects of a gripe, and all diseases depending upon a vitiated condition of the blood, such as eczema, chronic erysipelas, etc. They are also specific for the troubles peculiar to the female system, building up the blood and giving it a healthy color, health to pale and sallow cheeks. "In the case of men they effect a radical cure in all cases arising from mental worry, overwork or excess. Sold by all dealers or sent by mail, post paid, at 50 cents a box, or six boxes for \$2.50, by addressing the Dr. Williams Medicine Company, Brockville, Ont., or Schenectady, N.Y. Beware of imitations and substitutes alleged to be "just as good."

DOMINION DAY CELEBRATION.

Council will be asked for \$200—How-
ing Club Western Association.

At a meeting of Ald. Hewitt's sub-committee on the civic celebration of Dominion Day, held yesterday afternoon, a letter from Col. Otter was read, stating that the military would co-operate on condition that \$1000 were granted for the purpose. Refreshments would be necessary for the men and payment to the bands. He could not promise a very large muster, as many of the volunteers wished to have the holiday at their own disposal.

The fire brigade would parade if \$250 were granted; the police force could not be spared from their duties for the sake of augmenting a procession; the wheeled would be absent at the Canadian Association's meeting at Montreal; the school children at their games in Exhibition Park. The following representatives of sporting clubs were present and stated their willingness to undertake a regatta if \$300 were granted them: P. J. Smyth, Charles Lennox, Toronto Rowing Club; Alexander Fraser, G. H. Muntz, Argonaut Rowing Club; George Goodenham, Don Rowing Club; S. P. Grant, Bayview Rowing Club; John Lennox, Sunnyside Rowing Club.

If funds are not forthcoming, will Mr. Sheppard said there was a prevalent feeling that the money would be wasted. He did not think so, though he admitted that the \$1000 for the military parade might be saved. Dominion Day ought to be properly celebrated in a city like Toronto. If it were, more money would be spent in the city than the amount of the civic grant. He moved that the committee make request of the council for \$2000.

This was agreed to and the cloud lifted from Ald. Hewitt's mobile face.

Free and easy expectoration immediately relieves and frees the throat and lungs from violent phlegm, and a medicine that promotes this is the best medicine to use for coughs, colds, inflammation of the lungs and all affections of the throat and chest. This is precisely what Hickey's Anti-Consumptive Syrup is a specific for, and wherever used it has given unbounded satisfaction. Children like it because it is pleasant, adults like it because it relieves and cures the disease.

Valuable Furniture by Auction.
Attention is called to the important auction sale of valuable household furniture, upright pianoforte, best quality of carpets, gasaliers, universal camera, with a host of other valuable household effects, that will be placed at the residence of Mrs. Langley, No. 52 Huntley-street, on Thursday, June 7, Mr. Charles Henderson will conduct the sale.

Derby is acknowledged to be the best plug smoking tobacco in the market, 10 and 20-cent plugs.

Constable Gipsen Assailed.
Unknown roughs, for whose apprehension the York Constables' Association offers \$30 reward, assailed County Constable Gipsen near the Humber Bridge on Wednesday night. There were four in the gang and they gave the constable an unmerciful beating, knocking out several of his teeth and brutally kicking him.

EVERYBODY'S CORNER.

All Sorts of Queries From All Sorts of People.

At the earnest request of numbers of our customers the Army and Navy Clothing Company (Ltd.) will issue with this issue "Everybody's Corner," which because so popular with all classes during the regime of the old firm. Since the Army and Navy stores were taken over by a number of Toronto capitalists different systems of advertising have been adopted, but the hundreds of letters which we have received asking for "Everybody's Corner" impels the new firm to comply with the request. We start to-day by answering as many of the questions as our space will permit.

Citizen wants to know what has become of the parties who were charged with "incendiarism."

Answer: We have no knowledge of who the question applies to (as it is given). If Citizen means the parties who formerly carried on the Globe Clothing Store it is beyond our knowledge to answer. We do know, however, what became of their new stock of clothing and for Citizen's benefit and hundreds more we are pleased to say it was bought by the Army and Navy Clothing Company at the old price and is now on sale at King-street store.

Invalid: Read "Occupations for Invalids," or if impossible for you to see the lines of boys' suits we are selling at \$1.25 we would advise you to send the little fellows down. It will be perfectly satisfactory, as if the goods do not please they can be exchanged.

W.R.N. asks if we have any Tweed Rubber Coats in the Globe Clothing store? Yes, we have several very fine lines in the goods asked for. The \$14 ones are selling at \$7.50, the \$18 ones at \$8.50 and the \$7 lines at \$4.

In looking over the queries for "Everybody's Corner" amongst the hundreds of letters which we have the following was found, but as the name is plagiarized we are unable to give it its proper order. The writer asks us: "Is there any danger of a person sleeping with a dog which has the mange?" The writing is in a lady's hand, and we infer is from a lady whose pet dog is suffering with the disease. We have consulted a physician, who informs us there is no danger whatever, but advises the lady to avoid any risks by securing another bed-fellow.

Workingmen want to know the price of a good strong tweed suit for boys at \$9. We have a line of the "incendiarist" stock. The goods asked for have the tickets marked \$7, our price for them is \$4.50.

A mother wants to know if we are really selling a black worsted suit for boys at \$9. The mother who asks this question has evidently been reading the ad. of some of the high-priced clothing houses. Our prices for boys' black worsted suits (this season's make), belonging to the Globe Incendiarist Stock, are not \$9, but \$3.50 to \$4.50. A number of other stores advertise them at \$9 which accounts for the mistake.

Myra S.: We must decline to inform any young lady "the size their waist" should be. It would indeed be a waste of time. It would be far more appropriate if "Myra" would send her young man down and secure one of the "hobby" tweed suits for spring, which we are selling at \$5, former price in Globe stock \$12.

Dude wants to know the price of a stylish tweed suit for present wear? We have, without doubt, the most complete range in the city of stylish suits for stylish young men. They are made in three different styles, viz., Long-sleeved, Medium-sleeved and short-sleeved. We have them in Cheviot and Scotch Tweeds, every conceivable pattern under the sun. The prices are \$7, \$8, \$10, \$12 and \$14. It is simply impossible to do within 100 per cent as well in any other store. The goods are a portion of the "Globe Incendiarist Stock" and are "Bargains" from away back.

Drenched Through asks the lowest price for a rubber coat? We are selling a line at \$1.50 that belonged to the "Globe Incendiarist" stock, and was marked \$4. There are only a few left, which we expect to-morrow's business will clear out.

John D., city, asks if we advertise a Blue Serge Suit for men at \$9? Answer:—No. We advertised a line of Blue Serge Suits for men at \$3.50, which were marked to sell for \$5 in the "Globe Incendiarist" stock.

Youth asks if we consider a black worsted suit for a youth of eighteen years as being a bargain at \$3.50? No, we do not. If you will bring us \$4.50 of the amount stated we guarantee to give you a suit that cannot be touched in the city for less than \$8. Remember, though, these are "plums" out of the "Globe Incendiarist" stock and are about one-half the prices they should be.

THE ARMY & NAVY CLOTHING COMPANY (LIMITED).

Veterans of 1866.
Associations are being formed throughout the province and sending delegates to take part in the demonstration to-day. The committee will entertain them at the Richardson House at 1 p.m., and a considerable number of the local veterans will probably make it convenient to lunch with them at that hour. The veterans, accompanied by the drill corps of the Public Schools and Upper Canada College, will leave the college grounds at 3 p.m. and on up Simcoe-street, and College Avenue to the Park. The Lieutenant-Governor, the Mayor, Col. G. E. Denison, Mr. Baird and Mr. Muir will be the orators for the occasion.

Licenses Last Month.
Licence Inspector Aird's returns for the month of May are as follows: Billiards, \$30; butchers, \$5; cabs and omnibuses, \$82; dogs, \$92; express and carriers, \$25; hawkers and peddlers, \$45.30; milk dealers, \$46; miscellaneous, \$315; plumbers, master, \$245; tobacco and cigars, \$74.25; transfers of licenses, \$18; victualling houses, \$80. Total \$1883.45. Rental for public halls, \$339.

TIRED MOTHERS.

Lactated Food a Family Friend
and Helper.

Makes Cross Babies Happy.

Tired, careworn and anxious mothers are found in every city, town and village of Canada. The large majority of these mothers suffer mentally and physically because their little ones are cross, peevish, sleepless and sickly. To loving mothers such babies add vastly to the tolls and worries of every-day life.

Let us assure every mother that, with little trouble and expense, she can improve her own and her baby's condition. Infants become a source of trouble and anxiety when they are improperly fed from day to day. Infants fed on poorly prepared food and half-sour cow's milk in summer time must suffer, therefore become burdensome to mothers, until death takes them away.

Babies regularly fed on sweet, pure and wholesome Lactated Food never become troublesome; such babies are lovely, healthy flowers that go on from strength to strength, and are a source of joy and pleasure. Mothers who are wearied and careworn have themselves to blame. It is in their power to improve their own condition and to fully develop and protect their little ones in their charge.

Lactated Food is a boon for mother and baby. When fed daily to the baby it produces blessings to all concerned.

It is only necessary to read the testimonials to be convinced that Lactated Food is unequalled for the rearing of infants, corns, warts, etc. It is a complete extingisher.

CHASE'S CHAPTER

1. Dr. Chase's Kidney-Liver Pills are a combination of valuable medicines in concentrated form as prepared by the eminent physician and Author, Dr. A. W. Chase, with a view to not only be an unending remedy for Kidney and Liver troubles, but also tone the Stomach and purify the Blood, at a cost that is within the reach of all. The superior merit of these pills is established beyond question by the praise of thousands who use them—one Fill a dose, one box 25 cents.

2. When there is a Pain or Ache in the Back the Kidneys are speaking of trouble that will ever increase unless relieved. We have the reliable statement of L. B. Johnson, Holland Landing, who says: "I had a constant Back-Ache, my back felt cold all the time, appetite poor, stomach sour and belching, urine scalding, had to get up 3 or 4 times during night to urinate, commenced taking one Kidney-Liver Pill a day. Back-Ache stopped in 48 hours, appetite returned, and able to enjoy a good meal and a good night's sleep. I cured myself."

3. Constipation often exists with Kidney Trouble, in such a case there is no medicine that will effect a permanent cure except Chase's combined Kidney-Liver Pills, one 25 cent box will do more good than dollars and dollars worth of any other preparation, this is endorsed by Dr. Thompson, Holland Landing, Ont.

KIDNEY DISEASE

WOMAN'S NEED

Women suffer unpeakable tortures from muscular weakness, caused by impaired nerves and poor blood. Urine Kidney acid poison, unabsorbed, weakens the nerves and poisons the blood. By and by, if the Kidneys do not properly purify the blood, then comes pro-lapsus, retroversion, etc. Blood 75 per cent, pure is not a nourisher—it is a death breeder. Delicate women need not be told how much they would give to get and STAY well. If their blood is free from the poisonous ferment of the Kidneys and Liver, they will never know what "weakness" is. The blood is the source and sustainer of health. It cannot be kept pure except the Kidneys and Liver do their work naturally. Something needed to insure free and natural action of these organs, one 25 cent box of Kidney-Liver Pills will prove to any sufferer they are a boon to women, can be used with perfect confidence by those of delicate constitution.

One Kidney-Liver Pill taken weekly will effectually neutralize the formation of Urine Acid in the blood, prevent any tendency to Bright's Disease or Diabetes. For purifying the blood and renovating the system, especially in the Spring, one 25 cent box is equal to \$10 worth of any Sarsaparilla or Bitters known. The following is a letter from a member of the Church of England: "I have worn one of Messrs. They are exceedingly easy and comfortable, and although possessing no under stro, never under any circumstances get out of place, and can be worn day and night for a week at a time without any inconvenience, whatever. They never interfere in the slightest degree with the movements of the body, and after a few days their presence is entirely forgotten by the wearer. The greatest boon in recent surgical appliances, in my opinion, has been conferred on suffering humanity."
