Every Man Who Would Know the Grand Truths: The Plain Language of the Science as Applied to Marriage Errors and Avoid Future Pitfalls. SINGLED, SINGLED, SINGLED. The Wonderful Little Book Called "COMPLETE MARRIAGE" is now available.

Here at last is information from a high medical source that will work wonders with this generation of men.

The book fully describes a method by which to attain vigor and manly power. A method by which to end all unnatural drains on the system.

To cure nervousness, lack of self-control, despondency, etc.

To exchange a faded and worn nature for one of brightness, buoyancy and power.

To cure forever effects of excess, overwork, worry, etc.

To give full strength, development and tone to every portion and organ of the body.

Age no barrier. Failure impossible. 3000 references.

The book is purely medical and scientific, useless to curiosity seekers, invaluable to men only who need it.

A despairing man, who had applied to us, soon after wrote: "I tell you that first day is one I never forget. I just bubbled with joy. I wanted to tell everybody and tell them my old self had died yesterday and my new self was born to-day. Why didn't you tell me when I first wrote that I would find it this way?"

And another that: "If you had dumped a carload of gold at my feet it would not bring such gladness into my life as your method has done."

Write to the EMIR MEDICAL COMPANY, Buffalo, N.Y., and ask for the little book called "COMPLETE MARRIAGE" Refer to this paper, and the company promise to send the book, in sealed envelope, with the price of two weeks. The fee will be refunded on receipt of the book.

A POOL ROOM AT PORT CREDIT. The Attorney-General Will Take a Hand in Suppressing the Nuisance This Week.

James Giles, who has just completed a term in the York County jail for conducting a pool room in this city, yesterday opened a similar establishment at Port Credit under the direction that the Peel County authorities would be more merciful than those of Toronto.

The system in vogue was different from that adopted by Giles in his pool-room in Toronto. The customers are seated in a rooming house, and the pool table is placed in a rooming house, and the pool table is placed in a rooming house.

High Constable Horne of Brampton was the one who took the case.

The forms have been altered and read as follows: To Mr. James Giles, telegraph operator, who kindly notified by telegram John Brennan, at Brighton Beach race track, to place for me—

Break Away from the old way of washing!

What is it that keeps you? It can't be economy, for that's on the other side. Pearlina doesn't cost any more to use than common soap, or anything else that's safe and harmless. But just the contrary—when you use Pearlina, instead of wasting your time and strength and wearing out your clothes on the washboard, you do away with the rub, rub, rub, and save your labor, your clothes and your money.

It must be that you'd rather work hard and do damage—if you know these facts and don't use Pearlina. Feeders and some unscrupulous grocers will tell you "this is as good as Pearlina." IT'S FALSE—Pearlina is never peddled, and if your grocer sends you something in place of Pearlina, be sure and get it back.
