

**DEAN FARRAR'S NEW WORK**

# The Life of Lives

FURTHER STUDIES IN THE LIFE OF CHRIST

Cloth . 444 pages . Price, \$1.50, postpaid.

FOR twenty-six years Farrar's "Life of Christ" has been before the public, and has enjoyed a widely popular sale. It has been translated into many languages and has been circulated throughout the whole world. It is, therefore, with no small pleasure we announce the publication in a Canadian edition of a work supplementary to the "Life of Christ," dealing not so much with the incidents of that matchless life as with subjects of high importance which the gospels suggest, and designed to deepen the faith and brighten the hope in Christ of all who read it.
