

Sir W. Arbuthnot Lane, M.C., F.R.C.S.

Senior Surgeon, Guy's Hospital, London

Says:

"The action of liquid petrolatum as a lubricant is so remarkably efficient, that it can meet any of the troubles that arise, directly or indirectly, from chronic intestinal stasis."

NUJOL offers advantages of suitability and purity unmatched by any other Liquid Petrolatum. It contains the finest base compounds the world provides, due to the enormous resources of its makers; its manufacture involves the use of the most modern equipment and an expert personnel, supervised by an organization of 50 years' experience in making petroleum products.

Scientific laboratory and clinical tests determined the viscosity of Nujol, during which the consistencies tried ranged from a thin fluid to a jelly. The viscosity chosen is that best adapted to the majority of people and is in accord with the highest medical authorities.

Sample and authoritative literature dealing with the general and special uses of Nujol will be sent gratis. See coupon below.
