Rector St. Paul's, Portland, Me,

"One of the most perfect instruments for sound instruction concerning the Church that has been offered to Churchmen. The whole temper of the book is courteous, kindly and humble. This book ought to be in the hands of every Churchman. Of all books upon this important subject it is the most readable. It is popular and attractive in style, in the best sense. We commend it most heartily to every Clergyman for personal help and parochial use. We would, if we could, place a copy in the hands of every member of the English-speaking race. And we are assured, that once begun, it will be read with interest from preface to conclusion. No better text book could be found for a class of adults, who desire to give a reason for their faith, and be Churchmen in reality.—Church Record.
