Each other. Grocers and general store-keepers will find a profitable adjunct to their business in a line of our celebrated cigars. Once get a customer into the way of dropping in for a good cigar and you'll be surprised at the result. He comes in to buy only groceries and one of our fragrant LA CADENAS may catch his eye. He comes in for one of those satisfactory LA FLORAS to smoke on his way to the office and some new arrival in groceries tempts him into a purchase. See how it works? Profit both ways.

He may make a selection from other and less expensive brands such as
