**GROCERIES.**—The movement of goods countrywards is not especially brisk as yet, though some houses report a little improvement in business. A member of a leading tea firm just returned from Japan, states that the tea market was practically closed on Aug. 20th, at which date he left. He reports that while first crop teas were of good quality, second crop were poor, and third crop are very much "off" in quality. He is of the opinion that good medium teas will be wanted, and that a better market is in store for these goods just as soon as the financial stress in the United States is alleviated. Blacks and greens are reported steady in London. The result of Messrs. John Duncan and Co.'s annual unreserved trade sale of teas, which is announced for the 27th inst., will be awaited with much interest as affording a pretty accurate index of the state of the market. Refiners report a large business doing in sugars; there is still a scarcity of medium grade yellows, and of brights there are none too many. The figure for granulated is still 5½¢.

at the factory; yellows 4 to 4½¢. Molasses is without change. Bowbys are withholding quotations for tomatoes; some other good packers are asking 85¢ in car lots. In all there will be offered 6,015 packages, of which the greater bulk will be Japanese, but there will also be a general assortment of blacks and greens, all new season's teas.

**HIDES AND TALLOW.**—The market rules quiet; there is fair demand for light hides, but heavy weights are not wanted, and stocks show accumulation. The Chicago and Boston markets continue weak. Calfskins dull at 7¢ per lb.; lambskins, 55 to 60¢ each. Rough tallow may be quoted at 3¢; rendered, 5½ to 6¢ per pound.

**LEATHER.**—The bulk of the fall business in the shoe trade has been done, and manufacturers are preparing spring samples; some indeed have them ready. Beyond some little demand for grain and waxed upper, there is not much doing in leather. An English letter just to hand reports continued dullness and low prices there: St. Hyacinthe and Quebec tanners are, however, shipping pretty steadily. We quote:—Spanish sole, B. A., No. 1, 20 to 22¢; do. No. 2 to B.A., 17 to 19¢; No. 1, ordinary Spanish, 18 to 20¢; No. 2, 16 to 17¢; No. 1, China, none to be had; No. 1, slaughter, 19 to 22¢; No. 2, do., 18 to 19¢; American oak sole, 39 to 43¢; British oak sole, 38 to 45¢; waxed upper, light and medium, 25 to 27¢; ditto, heavy, 20 to 24¢, grained, 24 to 26¢; Scotch grained, 27 to 29¢; splits, large, 14 to 18¢; do., small, 12 to 14¢; calf-splits, 27 to 30¢; calfskins (35 to 40 lbs.), 50 to 60¢; imitation French calfskins, 60 to 75¢; colored calf, American, 23 to 27¢; Canadian, 20 to 23¢; colored pebbled cow, 12½ to 13½¢; russet sheepskin linings, 30 to 40¢; harness, 18 to 25¢; buffed cow, 11 to 13¢; extra heavy buff, 14 to 15¢; pebbled cow, 9 to 13¢; polished buff, 10 to 12½¢; glove grain, 10 to 13¢; rough, 16 to 18¢; russet and bridle. 40 to 50¢.

**METALS AND HARDWARE.**—We cannot hear of any new features in these lines of trade since last writing. Some few sales of Summerlee iron are reported at our quotations; this brand is reported in somewhat light supply. The 1,700 ton lot of Ferrona lately brought here is reported to be moving out fairly, at \$17.50 to \$18 according to lot. Warrants are cabled slightly up at 42s. 9d. We quote:—Coltness pig iron, \$19; Calder, No. 1, \$18.50; Calder, No. 3, \$17.50; Summerlee, \$18.50 to 19; Eglinton, \$17.50; Gartsherrie; \$18.50; Langloan, \$20; Carnbroe, \$17; Shotts, \$18.50 to \$19; Middlesboro, No. 3, \$16.75; Siemens' pig No. 1, \$17.75 to 18; Ferrona, \$17.75; machinery scrap, \$14 to 15; common do., \$8 to \$11; bar iron, \$1.95 for Canadian; car lots, \$1.90; British, \$2.25; best refined, \$2.40; Low Moor, \$5.25; Canada Plates—Blains, or Garth, \$2.45 to \$2.50; all polished Canadas, \$3; Terne roofing plate, 20 x 28, \$7 to 7.25.
