PETERBORO BOARD OF TRADE.

On Thursday, 10th inst., the annual meeting of the Peterboro Board of Trade was held, the retiring president, Mr. John Carnegie in the chair. A report upon the board's transactions for the year was read by the secretary, Mr. T. Q. Quartermaine. This (eleventh annual) report referred to the increasing, by the Canadian General Electric Co., of its already extensive premises in Peterboro, and the location in its midst of the Stanley Piano Co., as prominent industrial events. It was added that the other industries of the town were busy, not a few of them working day and night. Correspondence has been made with several firms outside with the object of getting them to build in Peterboro. It is stated that the membership of the board this year is the largest in its history. A suggestion is made by the secretary that someone experienced in Board of Trade affairs should be induced to give a lecture to the members. Upon the election of officers being reached, the following were chosen for the current year:

President—T. E. Bradburn.

Vice-president—D. W. Dumble.

Treasurer—R. Fair.

Secretary—T. Q. Quartermaine (re-elected).

A committee, composed of the president, vice-president, and Messrs. Hay, Shortly and Fair, was appointed to choose the council. The result was the selection of the following to constitute the council of the board:

Robert Fair (chairman); T. E. Bradburn, T. A. S. Hay, D. W. Dumble, John Carnegie, J. H. Burnham, W. H. Hill, H. S. Macdonald, B. Shortly, Peter Hamilton, James Kendrey, M.P.; J. R. Stratton, M.P.; H. LeBrun, P. Campbell, Richard Hall, R. C. McHarrie, Adam Hall, T. F. Matthews, R. McWhinnie, A. C. McCallum, McF. Wilson, J. W. Garvin, J. H. McClellan, H. P. Kennedy.

LONDON BOARD OF TRADE.

At the annual meeting of the London Board of Trade, held last Friday night, the old question of how to awaken a greater enthusiasm among members in the work of the Board was again to the fore, and received earnest discussion. The president, Mr. John Mattinson, in his address, reviewed the satisfactory nature of the year's business. The annual financial statement showed a surplus of receipts over disbursements, and assets largely in excess of liabilities. Notice was given of a motion to increase the annual membership fee from \$5 to \$10. The officers chosen for the ensuing year were as follows:

President—Mr. John Mattinson.

Vice-president—Mr. C. B. Hunt.

Secretary-treasurer—Mr. J. A. Nelles.

Auditor—Mr. John Bowman.

Council—P. W. D. Brodrick, W. J. Reid, John Campbell, John H. Ginge, John Bowman, A. B. Greer, T. H. Small-

THE "5 IN 1"

Above is the name of one of the latest and best labor-saving devices in the office stationery line that has come out.

It consists of a combined letter envelope which simultaneously and in one operation writes copies, files and addresses your letter and envelope, combining the five operations in one.

By using the "5 in 1" it is impossible to make mistakes in directing letters, the addressed portion of the letter being the address of the envelope.

The "5 in 1" preserves the post-office stamp and the postage stamp.

The contents of the "5 in 1" cannot be injured in opening.

Altogether it is a most ingenious and practical invention, and has already been adopted by banks, insurance companies, and a number of manufacturers throughout the Dominion, who have found it a time, labor and mistake saving article.

Samples and prices will be sent to any address upon application.
