Patent Earthenware Tanks

These Patent Earthenware Tanks are beautifully embossed, and supersede in durability, design and appearance, the best hardwood-finished tanks in the market. **THEY WILL NOT WEAR OUT.** They are constructed with a double bottom and passage from the space between the inner and outer shells leading into the flush-pipe to the closet, thus collecting any moisture that may occasionally gather on the outside, and depositing it in the closet.

CALL AND SEE THEM AT OUR NEW SHOW ROOMS,

W. B. MALCOLM

-

89 AND 91 CHURCH ST., TORONTO.
