

PRESSURE, TEMPERATURE, WIND AND PRECIPITATION AT STATIONS IN THE DOMINION OF CANADA, SEPTEMBER, 1899.

a. Barometer not reduced to Sea Level.

* Stations not furnished with Registering Thermometers.

STATION.	Latitude N.	Longitude W.	Elevation above Sea Level, in feet.	PRESSURE.			TEMPERATURE.				No. of days completely clouded.	DIRECTION OF WIND FROM								VELOCITY OF WIND FROM				PRECIPITATION.				No. of Thunder storms.	No. of Auroras.	No. of Fair days.	Days with 1/10 or more in month.	No. of Frogs.																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																																						
				Mean reduced.	Highest.	Lowest.	Range.	Mean.	Difference from average.	Years observed.		Highest.	Date.	Lowest.	Date.	Mean daily range.	Mean temperature of Dewpoint.	Mean relative humidity.	Mean amount of Cloud.	N.	N.E.	E.	S.E.	S.	S.W.	W.	N.W.						C.	Total number per hour.	Highest days velocity.	Date and direction from	Amount.	Difference from Average.	Heaviest fall in month.
