PREFACE

Working Papers, the result of research work in progress or the summary of a conference, are often intended for later publication by the Institute or another publisher, and are regarded by the Institute to be of immediate value for distribution in limited numbers -- mostly to specialists in the field. Unlike other institute publications, *Working Papers* are published in their original language only.

ACKNOWLEDGEMENTS

This paper owes much to advice exchanged during conferences organized at the Canadian Institute for International Peace and Security by Roger Hill, and to the work of a steering committee consisting of Dr. A. E. Collin, BGen K.R. Greenaway, Dr. L.W. Morley, Colonel G.E. Sharpe, and the author.

The author is very grateful for the opportunity to serve as a research fellow at CIIPS, and much regrets its lamentable elimination.
