

The Government of Canada wishes to confirm that all Canadian personnel deployed to the MFO fall under the *Protocol Establishing the Multinational Force and Observers*, done at Washington on 3 August 1981, and that all such Canadian personnel will enjoy the status, privileges and immunities, and authorities contained in that Protocol. Canada further wishes to confirm that the Canadian Forces conducts all operations in accordance with applicable domestic and international law.

If the above proposals are acceptable to the MFO, I have the honour to propose that this Note, which shall be equally authentic in the English and French languages, and your affirmative Note in reply, shall constitute an Agreement between the Government of Canada and the MFO, which shall enter into force on the date of the second note that is part of a subsequent exchange of notes confirming the completion by each Party of all internal procedures necessary for its entry into force.

Please accept, Ambassador, the assurances of my highest consideration.
