

Business of the House

Mr. Comtois: Tomorrow, Mr. Speaker, the house will conclude the budget debate. On Wednesday, we will begin consideration of item 9 on today's order paper, a resolution sponsored by the Minister of Agriculture. If that business is completed on Wednesday, we will go on with the resolutions on the setting up of the committees, according to the order to be set tomorrow night.

Mr. Chevrier: What will be the business for Thursday?

Mr. Comtois: I think that is enough to cope with the earnestness of the opposition leader.
