Dr. A. E. Morgan, Principal and Vice-Chancellor, McGill University, Montreal.

Dear Doctor Morgan:

RW/C.

Your thoughtful letter in connection with your recent visit here is very much appreciated and I can assure you that all the members of our School and staff who were privileged to meet you, thoroughly enjoyed your visit.

Mr. Dawson, our Secretary-Treasurer and grandson of Sir William Dawson, has developed a fine work here during the past twenty-six or twenty-seven years and it will be particularly gratifying to him to know that you were so pleased with the contacts you made here. It is needless to say that we are happy if some good is resulting from the work we are trying to do.

Trusting you will find time to make additional visits to our School, and wishing you every success in your important responsibilities at McGill, I am

Yours sincerely,

Raephwilesek

Superintendent.
