**Endorsed by the Canadian Manufacturers' Association—Extract from a Letter from the General Manager**

*"The publication of each advertisement in this book in four languages is a useful feature . . . I think this book should perform a useful service to Canadian exporters, and wish to congratulate you for your enterprise in compiling it."*

**From a Manufacturers' Sales Agent in Georgetown, British Guiana**

(Name and address on request)

*"We solicit business on a commission basis and your publication will be the means of enlarging trade between these colonies."*

**From the Office of the High Commissioner for Canada**

*"The work you are issuing would seem to be a most useful one, especially at this period of commercial reconstruction, and we are pleased to have the opportunity of placing it among our books of reference."*
