### **CLYMER'S SQUAD WINS FIRST GAME**

Herbert Invincible and Greensboro Team is Easy for the Leafs.

GREENSBORO, N.C., April 14.-Toronthis afternoon, smothering the local league team. Herbert was untouchable and passing one. Two double-plays and a splendid catch of a line drive by Brackett helped him. He was pitching high grade ball for this early. Manning was shoving up slow ones for his four innings, and in his second round the locals got to him for two triples, following a pass, for two runs. Before and after that he was not hit. He had no speed, complaining of

a sore arm.

The feature was the hitting of Holland passed, and the only out against him was on a bunt to first, according to orders.

The infield worked beautifully together. Brown looked extra good in left, and as a whole the team showed nice speed on the bases. They hit hard and all down the line. Jordan slashed out his double with two on, sending in the first runs of the game. A couple of good pitchers are all that are needed. The score:

### For the Very Smartest Fashions in Clothing for Young Men

Timely Spring Coat Suggestions

SMART styles in spring coats have in general followed two widely divergent lines, the loose slip-on Balmacaan and snug-fitting and slender-waisted effects. The young man who wishes to be correctly dressed will choose between these styles, according to his personal tastes.

As in suits, tweeds, particularly in the shades of grey, are at the height of popularity and are unusually well represented in our stocks.

For instance, a new model just in, of grey-green and grey-brown tweed mixtures, is of exceptional merit. It is cut in 3-button modified Chester-field design, that is, the con-ventional Chesterfield style has been rendered more attractive and up-to-the-minute by close fitting, narrow shoulders, broad, short lapel, deep notch collar, rather full back, and just the slightest flare to the skirt. Patch pockets and cuffed sleeves complete the decidedly smart appearance. The whole coat, which is lined in shoulders and sleeves, presents an unusually trim cut without the slightest taint of freakishness. Price ....... .15.00

The illustration pictures the snug-fitting, slender-waisted style. In this design, which is a great favorite among the smart dressers in the American younger set, we are showing models in Oxford grey, worsted and serge finishes, and also in light grey tweeds. Some have black velvet collars. The design, as indicated in the sketch, is 3-button, soft rolling, fairly broad lapel, form-fitting, with vent in black and just knee length. Prices \$12.50, \$13.50, and \$15.00 -Main Floor, Queen St.
