MARKET REVERTED TO DRAGGY TRADE

Values All Easier, Choice Butchers' Cows Alone Holding Firm.

SLACKNESS GENERAL

Prices Took Drop From Medium Down to Poor Classes Yesterday.

Receipts of live stock at the Union Stock Yards on Tuesday were 56 carloads, comprising 1025 cattle, 164 calves, 623 hogs and 823 sheep and lambs.

The cattle market reverted to a draggy trade after three days of fair activity, and the values became easier, choice butcher cows alone holding steady with Monday and in demand. From medium down to poor classes were 15c per cwt. lower, and bulls were barely steady at low prices quoted for the past seven days. The better classes in some cases suffered from the general slackness and were easier.

Stockers and feeders were slow and did not improve over the prices quoted Thursday and Monday.

Milkers and springers are the best selling class on the market. The demand here is very active. Corbett, Hall and Coughlin sold three choice milkers at $305 for the three.

The sheep and lamb market held steady with a fairly large consignment; $8.85 was paid for the best lambs and $8.50 to $8.75 for the bulk. Sheep were steady and calves, tho steady, up to 11c, had an easy tendency.

The light shipments of hogs (there have been 10,000 less than in the corresponding five weeks of last year), make the prices firm as stated for Monday.

The last issue, which was brought out by Wood, Gundy & Co. in February of this year, was sold to yield 4.90 per cent.

LONDON STOCK EXCHANGE.

LONDON, Sept. 7.—Money was in good supply and discount rates were rather harder today. New York exchange was quiet owing to yesterday's holiday. Rates were a shade easier at 466½ to 467.

The stock market was dull and uninteresting. Business was confined to the war loan, home rails, Kaffirs, and oil shares at steady prices.

American securities were equally inactive, and closed steady, a fraction below yesterday in the absence of a decided lead from Wall street.
