### IMPROVED GAS COOKING STOVE, No. 7.

Size, 30 in. high, 15 in. wide, 12 1/2 in. deep. Hot plate 15 in. wide, 15 in. deep with one oval and one ring burner, with sliding tray under hot plate.

Will roast a joint of beef, mutton, or lamb, grill chops, steaks, omelets and fish, toast bread, bake pastry, rice puddings, potatoes, etc.; boil, fry, or stew. Movable copper reflector, for radiating the heat into the room.

The roasting element of this stove is mounted on a cast-iron stand, and is provided with a movable trivet for supporting the pan at various heights. An elbow burner is also inserted in the hot-plate with a separate tap.
