Also on Tuesday, "Sharky," a bay gelding and a fine roadster. Thoroughly city broken and kind and quiet. This horse will be a prize one for the man who buys him.

## City Horses

At each of our auctions we sell a large number of horses which are consigned to us for absolute sale by city firms and others who have no further use for them, and in the majority of cases our instructions are to "sell." We are selling a great many outfits as well as these sales provide an excellent opportunity for both buyer and seller to meet and make a fair exchange.

### Wind Up of Busy Week's Horse Sales At the Repository

This has been a very busy week at Burns & Sheppard's Repository. Tuesday's sale was an extra good one, and private sales all thru the week had the effect of making horses scarce for Friday. However, nearly everything offered was sold, and during the time the sale was on three cars were being unloaded, but the dealers did not care to place them on sale just as they were being unloaded. However, by Monday there will be more horses in the Repository than they have stable room for.

A gentleman from Vancouver, B.C., picked up two cars of extra choice heavy horses, and they were private sales all thru the week had the effect of making horses scarce for Friday. However, nearly everything offered was sold, and during the time the sale was on three cars were being unloaded, but the dealers did not care to place them on sale just as they were being unloaded. However, by Monday there will be more horses in the Repository than they have stable room for.
