# HYMAN SAYS'IT'S NOT TRU WILL NOT RESIGN SEAT ON GLOBE'S SAY SO

Excitement at Ottawa Over Rumor That Minister of Public Works Will Throw Up His III-Gotten Seat-Laurier Has Not Heard

Ottawa, Nov. 8.—(Special.)—"I have not heard of it," said Sir Wilfrid Laurier this evening to The World, when asked if there was any truth in the statement made by The Toronto Globe that the Hon. Charles Hyman would resign his seat in the house of com-

mons.

"There is absolutely no truth in it." said Mr. Hyman to The World when the same question was put to him. Consequent upon The Globe's announcement of the rumor of intended resignation, there is considerable excitement in political circles here tonight, but The World was unable to trace any real foundation for the report. One of the ministers said that the publication of the rumor was either mere speculation on the part of The mere speculation on the part of The Globe or was published for the sole purpose of bringing about an event that that newspaper desires.

The Globe despatch was as follows:
(Special Despatch to The Globe.)
Ottawa, Nov. 3.—It is rumored here that the resignation of Hon. C. S. Hyman of his seat for London will take place very shortly. Mr. Hyman return ed from New York this morning.

MR. BECK MAY RUN.

London, Nov. 8.—(Special.)—The rumor emanating from Ottawa, that Hon. C. S. Hyman, minister of public works, will resign in view of the revelations in the Toronto police court, showing that his election was won by practices that have shocked the whole of Canada, was discussed in political circles to-day, and both sides are beginning to speculate on what will follow.

That Mr. Hyman has found sufficient cause to throw up the seat is not as-

That Mr. Hyman has found sufficient cause to throw up the seat is not ascribed to his over-mastering sense of the fitness of things. It has taken a whole lot of exposure to bring about the resignation, but the belief here is that the minister will claim some credit for his act, and that he will ask re-election on the strength of his alleged abhorrance of rotten election practices.

The Conservatives have not discussed the question of his successor until

If Hon, Adam Beck would retire from the Ontario cabinet, it is believed he would defeat Mr. Hyman in a by-election. Ottawa Conservatives are anxious to have Mr. Beck in the federal parliament; they believe that owing to his stand in the legislature on the power and telephone questions he would be a tower of strength to the opposition.

The question is: Will Mr. Whitney give his consent? Some say Mr. Beck's not met with the support he expected and that some of the cabinet ministers have shown even hostility. If this be true, Mr. Beck may be willing to drop out of provincial politics.

#### MANITOBA MUNICIPAL UNION ENDORSES ROBLIN'S POLICY ON GOVERNMENT OWNERSHIP

Recommends the People to Vote "Yes" on the Plebiscite, and That Previncial Governments Insist on Powers of Expropriation of Existing Telephone Lines Being Given Them.

Portage La Prairie, Man., Nov. 8.—(Special)—By a vote of 89 to 16, the Union of Manitoba Municipalities to day endorsed the government's policy for municipal telephones and advised the electors of the province to vote yes at the coming plebiscite on the subject.

An amendment to give no advice on how to vote was lost by a vote of 82 to 36. The resolution was passed amid great enthusiasm. In part

"We reaffirm our former declaration that the telephone is a public utility, and as such should not be left in the possession or ownership or under the control or operation of a private individual or corporation in whole or in part, but that the ownership, control and operation of the same should be undertaken by some body or bodies representative of the people, responsible to the people and in trust for the

"That, therefore, we recommend to all municipal electors to vote 'yes' in answer to the question to be submitted on the telephone matter at the coming municipal elections;

"That as the Dominion parliament will not take over the telephones and operate them for the benefit of the people of Canada, therefore, that parliament should grant to such of the provinces as are willing to introduce a public owned telephone system, power to expropriate on a fair valuation all existing telephone systems operating under Dominion charter: der Dominion charter;
