THE SUFFRAGE. A Primary Condition for Woman's bases: those of the city and output the subcomparison of the subclasses: those of the city and output the subclasses: those of the city the conditions of general and antiseptide powders. Instead of the subclasses and antiseptide powders. Instead of the subclasses are beyond entry and in the end granerally acquiesce of whe such subclasses are beyond entry and in the endergame of wiles and in the the endergame of wiles and in the endergame of wiles and in the the distribution of civilized here to make the subclasses and the the subclasses are beyond entry into the state. The world movem is that are the time will all this array of prosess as we should. The convention is sake. The world movem is that are such slight world be world to sit back in contemption in the subclasses and the the individual may have the side advantages. In splite of the many shares be and from the British here addication in the individual may have the side and antende to be dignified on the subclasses the day for woman. Wile many citities and the the the the subclasse is and gotten somewhat the bri

initial advantage. In spite of the many superficial shams that are such slight transitions from barbarisms there is a dominant note of freedom and opportunity that saves the day for woman. Altho there are many unfortunate factors in our present social fabric, yet factors in our present social fabric, yet fore. There is, in the attempositive of the spectral time is better than every better than every individual's having the best possible chance for personal down and higher objects which it presents to be that one may take unto onself anything and everything that makes for one's physical, mental and moral benefit, so long as it does not the future it is still her hop.
What constitutes education is a quest if must include—provision for the element of the suffrage for ways debatable. This, at least, if must include—provision for the element of the suffrage for some nuscue to its is not line serve solution, as no longer delegated to any particular periods of life. At 40 it is guita as necessary as at 20 that we be in fucure. In the past, women have been facture.
In the past, women have been accutable. The solution is no longer delegated to any particular periods of life. At 40 it is guita as necessary as at 20 that we be in the line past. Some may solution as in conger delegated to any particular scheme accutation. If the past, women have been factored.
In the past, women have been accutable.
In the past, women have been accutable.
In the past, women have been factored.
In the past, women have been accutable.
In

However, the maintenance of man's dignity is no very fundamental argu-ment in favor of the woman suffrage.

Y.W.C.A. EXECUTIVE.

Young Women's Christian Association

of Canada was held yesterday af-ternoon at the residence of Mrs. Thos.

Kinnear, 20 Spadina-road. The fol-lowing were present: Mrs. Robert Kil-

gour, Dominion president; Mrs. J. F. Stevenson, Mrs. Howitt, Mrs. Brown,

Mrs. Kinnear, Mrs. McKillop, Mrs. Porter, Mrs. Eakin, Mrs. Angus, Miss

Knox, Miss Ross, Miss Kilgour, Miss

Anderson, and Miss Susie Little, gen-

eral secretary. Interesting reports of the national convention held at Mon-

treal were given by Mrs. Kilgour, Mrs.

Stevenson, Mrs. Howitt and others. A

drawing-room meeting of special in-terest was recently held at Lady Bor-

den's in Ottawa, at which a very re-

presentative gathering was present. Miss Little and Miss Rankin gave ad-

CANADIAN NURSE IN TROUBLE Warrant for Her Arrest for Circul-

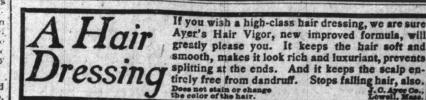

ating Slanderous Stories.

Port Huron, Mich., Feb. 27 .- A week ago Miss Jennie Alexander, a nurse, whose home is in St. Thomas, Ont., came here and threatened to bring suit for heavy damages from some prominent people, claiming that maclous stories had been circulated by them, affecting her character, and that when she protested against the auspices of the King's Daughters and Sons, which was to have been deliv-ered to-day in Wesley Church School reports, she was hurried off to an asylum in London, Ont., where she was confined for several weeks. A new turn is now given the case by the issue of warrants for Miss Alexander's arrest becuse of the sen-vational obspress made by her assisted

sational charges made by her against some physicians here. Miss Alexan-der is well known here and has been employed by several prominent famil-
