FARM LANDS

New University Residences To Accommodate 150 Students

Building Operations Continue Lively and Real Estate Agents Report Good Demand For Small Houses -Numerous Properties Change Hands.

The real estate market this week, in of Bloor and Avenue-road. The cos The real estate market this well probably be \$15,000.

spite of the holiday, has been distinctly will probably be \$15,000.

Many Sales in North. lively, nearly 100 properties having changed hands, principally small houses

every direction, and everything points to a greater investment in real estate than at any past period in the history of the city.

made.

Hurley, Lawson & Martin report the demand for good farm properties as being about the average. They have closed three deals this week at satisfactors and several sales have been between Eginton and Soudan-avenues, close to Ionge-street. Price ing about the average. They have closed three deals this week at satisfactors and several sales have been been between Eginton and Soudan-avenues, close to Ionge-street. Price ing about the average. They have closed three deals this week at satisfactors.

The principal item of the week is the permit issued for the erection of new residences for the university students, at the corner of Hoskin-avenue and Devonshire-place. Accommodation will be provided for about 150 students. The buildings will be of pleasing elevation and appearance, and add to the attractiveness of this part of the city.

Extension to Hat Factory.

Robert Crean Company, Limited, is making extensive alterations and additions to its hat factory, on Haimuto - street. The main floor able week. Numerous enquiries from out of town have been received for invented in the same period of last year. Prospects are distinctly brighter, as people are realizing that real estate is the soundest investment they can have.

E. A. English says things are far better than last year. The demand for small properties is greater than the supply. He cannot get sufficient houses for people with moderate means, desirous of renting homes.

A. G. Strathy reports a most favor-Balmuto - street. The main floor able week. Numerous enquiries from out of town have been received for invented in the same period of last year. Prospects are distinctly brighter, as people are realizing that real estate is the soundest investment they can have.
