GENTLEMEN,—It affords me great pleasure to inform you that Seigel's Syrup and Pills have given every satisfaction. I could quote numerous cases that are known to me, where great benefit has been derived from the use of Seigel's Syrup. A mechanic who had been unable to work at his trade for seven years, has been cured by the Syrup. Another man who had not enjoyed a day's health for years, after using two bottles of Curative Syrup says. "I feel like a new man; I can work as hard and eat as hearty as when young." A lady customer, says; "My Doctor's Bills have made a poor man of my husband; last winter they amounted & mounted to Seventy-five dollars. Two bottles of Syrup have cured me." It would take up all the space in your book to give all the voluntary testimonials I constantly hear from my customers. When one has customers who repeatedly assert that they would not sell a bottle of the Syrup for *Twenty Dollars*, if they could not replace it, I think a conclusive evidence of its merit and value.

Yours very truly,

J. W. DALLING.
