

To the Ladies

THIS ad is a direct message to the ladies. Between now and Christmas there will be a lot of thinking done by the fair one as to what to buy for a "certain person." No matter whether the said person be a brother or a husband, we would like to suggest a few useful articles that men like and need. A Fancy Vest will please most any man. A Smoking Jacket or House Coat is an article that nearly every man would like and hasn't got. Neckwear or neck wraps are always acceptable. Suspenders can't be beat for usefulness. Then if your purse can stand a little more pressure you can buy Suits, Overcoats and Trousers, and kindly bear in mind that any goods bought from us will be most cheerfully exchanged after Christmas if the size is not right, or for any other reason. Ladies, kindly think this over, and if we can assist you in any way to solve the problem of "what to give" the pleasure will be all ours we assure you.

Clears soon and to the neck and shoulders above all competitors.

LINE OF CLEAVAGE DRAWN CITIZENS' LEAGUE FORMED

New Organization of Employers Which Will Stand Determinedly Against Labor Unions.

Dayton, Ohio, Dec. 4.—To eliminate the walking delegate is one of the specific purposes of the recently organized Citizens' Industrial Association of America. The organization included in its basic principles an open shop, no sympathetic strike, no restriction on the number of apprentices and output and the enforcement of the law.

These facts were developed at the meeting of the Executive Committee, which was concluded today, easily by the number of the line of battle between employers and labor unions.

A resolution was adopted asking Congress not to endorse the eight-hour bill, when that document comes up for consideration.

Another resolution requests all employers' associations throughout the country to affiliate with the national body. The determined stand to be taken by the association is indicated in the passage of a resolution instructing all members of employers' associations affiliated with the national body, not to place the union label on any of their output. It is proposed also to establish a labor information bureau, where will be kept a tabular record of all law-breaking and undesirable workmen.

The present methods employed by unions in conducting a boycott were bitterly denounced. A bureau of organization, publicity and education will likely be located in Dayton, although the headquarters will be at Indianapolis.

Not on the U.S. St. John N.B., Dec. 4.—Hon. Mr. Prefontaine, at a dinner given him by Senator Donville, said the country was going ahead, and that it was not going to depend on the United States, but would develop its own resources.

The Saturday evening "pop" concert at Association Hall to-night will include a program by the Association Orchestra. The concert is proving a big success.

BRILLIANT SOCIAL EVENT

Mr. and Mrs. P. D. Crerar Give a Ball in Hotel Royal in Honor of Daughter's Debut.

GUELPH WANTS DESPERADO HILLS

Harry Mays Won Decision From Atherton of Buffalo After Unsatisfactory Match.

Hamilton, Dec. 4.—(Special).—An interesting event in society circles took place this evening at the Hotel Royal when L. D. and Mrs. Crerar gave a ball to introduce their daughter Violet to society. The decorations and everything else connected with the function were on an elaborate scale.

Violet was a feature of the decorations, among the most beautiful pieces being the name "Violet" at the end of the ball room, which was made in letters of the prevailing hue. The large dining hall was used as a ball room, and supper was served in the smaller dining room, and came. Over two hundred guests were present, many of them being from Toronto and London. Nearly all were young people. Anderson's orchestra supplied the music.

Wanted in Guelph.

The latest inquiry which has reached police headquarters for the desperado, Hill, is wanted on a charge of highway robbery. He and his pal, Keough, who is doing a six-month term, got \$45. Keough's end of it amounted to \$45 cents. The police are trying to connect Arthur Howard, who is held on a charge of vagrancy, with the gang.

Mays Won Decision.

Harry Mays, in a very unsatisfactory wrestling bout, won from Ed. Atherton, tonight in the Trolley Hall. It was a handicap match in which Atherton undertook to throw Mays three times in an hour. In neither man gained a fall, the referee called Atherton what he said was a strange hold, which was barred. Atherton claimed that it was a three-quarter Nelson and refused to go on again. The referee then gave the decision to Mays, who challenged Atherton for an even match.

Wm. Moore, who was killed by a train in Toronto tonight, was the father-in-law of C. A. Starr of The Hamilton Herald reporter staff.

Fred Lonsberry, Toronto Junction, the C.P.R. brakeman who was knocked off a freight train this morning at Burlington Junction, is getting along nicely at the City Hospital.

Suit for Libel.

To-day J. Bidwell Mills, who is suing the Montreal Star for \$10,000 over an alleged libel published several months ago, issued a writ asking the Hamilton Herald claiming \$20,000 for alleged libel.

Arthur Frank McKee of 84 Victoria-street was found dead in his apartment last night. He had been dead for some time. Copener Young has issued a warrant for an inquest, which will be held tonight at 8 o'clock, at Stone's undertaking establishment, where the remains are lying in state.

The warrant may be withdrawn if the cause of death can be ascertained.
