Petitions Are Submitted by Winnipeg, Edmonton and Halifax Boards of Trade, Toronto Board of Control and the Canadian Wholesale Grocers' Association - All Request a Stay in the Order Until Appeals Have Been Heard-No Date Yet Set For Hearing.

WITH GOVERNOR - IN - COUNCIL

[Special to The Advertiser.]

Ottawa, Sept. 13.—Five petitions of appeal against the recent order of the railway commission increasing rates have already been filed with the governor-in-council. They are from the Winnipeg, Edmonton and Halifax boards of trade, from the Toronto Board of Control, and from the Canadian Wholesale Grocers' Association. While it has been intimated that the provinces of Saskatchewan and Manitoba would be parties to the appeal, neither a formal notice of appeal, nor an appeal has been received as yet from any province of the Dominion. The two provinces named were represented at the hearing, but these were the only ones. On behalf of Manitoba, H. J. Simington was counsel. In addition, Premier Norris himself was in attendance practically throughout the whole hear-

ing. For Saskatchewan, D'Aarcy Scott was counsel.

Most of the petitions have been addressed to the premier, but have been transferred to the file of the governor-in-council. All of the petitions request a stay in the order pending the hearing of the appeal, and possible but not probable revision. But the new rates go into effect today, and even of they didn't the Government in its statement yesterday stated there would be no stay. The Government will grant an oral hearing of the appeal, but in order that there may be no false hopes, has mentioned that on no occasion has the governor-in-council reversed a judgment of the board. No date has yet been set for the hearing.
