### RAIN HELPS LEAFS DOWN THE BRUINS

Showers Stopped Fixture, But Game Reverted and Locals Were Winners.

cessful road trip and they arrived amid much excitement. They were billed to stage a double bill with Tom Needham's Newark Bruins. A heavy rainstorm and a cyclone stepped in while the Leafs were at bat in the 7th inning of the first game and baseball was over for the day. Newark had scored three runs in their half of this eventful session to the the score. The rain and wind put a stop to it, and the game reverted to even innings, giving the Leafs the verdict, 3 to 0.

It was the biggest Monday crowd of the season, something over \$400 paid admissions, and they certainly got some thrills for their money. There was a scurry to get back into the stand when the rain came down, and while the storm was at its height a cyclone came straight into the stand from the northwest and lifted a section of the roof at the east end of the structure and hurled it to the board walk outside. The flag pole in left field was bent down like a plece of paper, and the big scoreboard in centre field, that was in operation for the first time in many weeks, was leveled. It will take \$500 to put things in ship-shape again.

time in many weeks, was leveled. It will take \$500 to put things in ship-shape again.

Hats by the dozens were lifted off the fans' heads and hurled away with the wind. When the roof lifted off the fans rushed in all directions and hundreds rushed out on the field in spite of the heavy downpour. It gave everybody a bad scare, but only one slight injury resulted when two beams fell and hemmed in a lady fan. She was able to go to her home after a short rest.

The game itself was thrilling enough, Bunny Hearne was on the rubber for our leaders, and he held the visitors to one hit in six innings. Three hits, coupled with an error, gave Newark three runs in the 7th and tied it up. Truesdale walked in our half and then Jacobson rolled out. Three balls had been called one Whiteman when the deluge arrived. The game was called and the regulation thirty minutes was waited. The game tren reverted to even innings and we were returned winners, 3 to 0.

In the first six innings the visitors were helpless before Hearne. He moved them down in great style and Larry's boys fielded in good fashion behind him. Pennington had one bad inning and it was here that we got all our runs. The third was the session and it was lively while it lasted. Bunny Hearne fanned, but Truesdale hit over third for a base, and then Jacobson laid down a bunt and was safe when Egan drew Russell off the bag with his wide throw. Truesdale romped in on Whiteman's base, smash. Jacobson moved up to third and Whiteman made second on the throw-in to the plate. Larry Lajole heeded the call of the fans and laced one over second that scored the two base warmers. Schultz flied out, and Blackburne offered at three.

Newark got three in the seventh that didn't count after the storm got in its work. Callahan and Haas singled and then Murray booted Eldred's bounder to let the first run score. Russell popped to Hearne, and the runners advanced a base on Egan's outfield out. Pennington's single accounted for the other two. Our seventh has been given above. Double-

Murray and Jacobson Are Howe stole home. In the Osler-Carlton Park game the out-fielders had only three putouts. Hughes, Osler, in the third innings made a brilliant bare-hand stop of Mackie's wide throw to get Howe. It saved the game, as Lee was across the plate before the putout.

The Elizabeth intermediate team played a fast game, stealing six bases. Sansone hit the first pitched ball for three bases. Ginsler struck out seven men, allowed four hits, walked six, had eight assists and had no runs scored on him. Sansone's speedy relay throw to Mocallum to Casciato caught Simons ten feet from the plate on what looked like a sure four-base hit.
