LABOR NEWS

BETTER CONDITIONS AND INCREASE ALSO

Apprentices will come up for discussion at the next meeting of the Electrical Workers' Union, and it was authoritatively stated yesterday afternoon that they would receive both higher wages and better conditions than have obtained to date.

The wages current at the moment are as follows: Eight dollars a week for the second six months, and a dollar a week increase for every additional six months to the close of the third year, the wage being 30 and 40 cents an hour for the first and second halves respectively for the fourth year. What the increase will amount to has not been ascertained.

PIANO ACTION MEN ACCEPT INCREASE

Piano action and key workers have decided to accept the 20 per cent. increase offered by the Toronto firm.

This means that the men will increase from \$5 to \$7 a week. The union last night initiated 33 new members and secured a strong vote of thanks to the Canadian Federation of Labor for organizing the men, and preparing their schedule.

MINIMUM OF 90 CENTS.

Several employers in the metal trades have signed an agreement with the Metal Workers' Union for a minimum wage of 90 cents an hour.

ATTENDS LABOR CONFERENCE.

Winnipeg, Man., April 20.—E. McGrath, secretary of the bureau of labor for the provincial government, will leave for Ottawa on Friday, where he will represent the provincial government at the conference to be held between federal officials, representatives of labor and the employers and other provincial governments.

CARPENTERS WILL ORGANIZE.

By a vote of 24 to 17, Local 1520, International Brotherhood of Carpenters, comprising mostly inside woodworkers, decided to organize against the proposed to inaugurate daylight saving time.

This union is progressing well, and is now about 75 per cent. organized, some shops being a hundred per cent. and others 40 and 50 per cent. organized.

PROBE RESUMED ON THREE FIRES

The inquiry into the three fires which occurred in New Toronto last March resumed last night, with Crown Attorney Greer cross-examining the witnesses.

The business relations existing between four merchants who came from the same village in Poland last night, Joseph Mendelsohn, Isaac Rice, Victor Nathanson and Mr. Perlmutter. It is alleged that Mendelsohn bought a second-hand store from Nathanson and paid for the stock which was far in excess of the price originally paid by Nathanson. Fires have occurred before, it is stated, and a committee was appointed to investigate the business transaction of the quartet with a view to discovering if there is any connection between the purchase of the store and the three fires.

GYPSES' BEHAVIOR LEADS TO ARREST

Later Identified as Wanted by Police in Spring of 1918.

Losing their temper, when approached by a policeman, resulted last night in Frank Steve Markovitch, 259 Simcoe street, being identified and arrested on warrants issued for his arrest in the spring of 1918.

Both men are gypsies, and two years ago the police raided an Oriental fortune-telling room on Yonge street and made several arrests. The man charged with keeping was fined, but when Steve and Frank Markovitch were to appear on charges of vagrancy, the police charged they disappeared from the city. Bench warrants were issued, but the police were unable to trace either of the men until last night.

The men were employed to truck new motor cars from the Union Station to a Yonge street garage.

Last night they were hauling motor cars without license numbers, and Police House stopped them and questioned them concerning the dealer's license. The gypsies are said to have become impudent and House marched them over to No. 2 police station.

Station Dutyman McIntosh identified the men as two men wanted in 1918 and the police occurrence was at once looked up and found to be true. The men were then locked up on the old charges.
