

Mr. Coate seconded the resolution, which was carried unanimously.

The Rev. Dr. Fuller in a highly eulogistic speech moved—That the Orphans' Home is eminently entitled to the confidence of the Protestant community and is most deserving of support.

Dr. Bovell supported the resolution with appropriate remarks.

The Rev. Dr. Lett mentioned that the Home was about to lose the services of one who had been a most steady friend to the Institution for several years, and who was always ready to give it his valuable services. He alluded to Mr. Robarts—who, together with his amiable wife, (the late Treasurer) and family, was about to remove to the Lower Province. Mr. R. was no less indefatigable than successful in his efforts to economize the funds, and also attended to many of the details connected with the out-door management of the Home. Dr. Lett concluded by moving that Mr. Robarts's name be entered on the list of Honorary Life-Members, which was unanimously seconded and carried by the meeting.

A complimentary vote of thanks was also passed to Mrs. Small, for her valuable services as Secretary during her tenure of office.

The following notices of motion to be discussed at the next General Meeting were then given, viz :

That the Lady Managers be authorized to grant to Mr. W. Reeves, a lease of the land on Queen street, on the terms agreed to on their behalf by the Committee of Counsel.—And that a By-law respecting the landed property of the Corporation be taken into consideration.

The concluding prayer having been read by the Rev. Dr. Lett, the meeting adjourned.
