PHOEBE TOOK FRENCH LEAVE

Phoebe Dukeshire Not Satisfied With the Accommodation at the Municipal Home.

Phoebe Dukeshire doesn't like the Municipal Home and took French leave this morning, when without hat or cloak, she walked to the city and was an early caller at police headquarters where she complained of being sick and wanted to go to the hospital.

After the prisoners were disposed of she also visited the police court and reported her woes into Police Clerk Henderson's ears, but that official informed her that there was nothing he could do in her behalf.

It is believed that the unfortunate woman is mentally afflicted, and will probably be sent back to the home or else to the Provincial Hospital for Nervous Diseases.

Superintendent Woods, of the Municipal Home, said this morning that the Dukeshire woman, who had been sent there from the jail, was evidently demented; would do no work unless someone was standing over her and constantly expressed the desire to be released from the institution. She wanted to see Dr. George Ady and would not be attended by Dr. Christie, the physician of the institution, because he had sent her there from the jail.

MONCTON NEWS

Death of Mrs. Geo. H. Cochran --Fire at Shediac.

Moncton, N. B., May 20 (Special).—Many friends will regret to learn of the death of Mrs. George H. Cochran which took place last night at her home, corner Steadman and St. George streets, after a tedious illness. Mrs. Cochran was a daughter of the late Alfred Robertson, of Portland, Maine, and was a niece of the late Edward Robertson of this city. On account of her weak condition Mrs. Cochran was not apprised of her uncle's death, which occurred about twelve days ago. The deceased was highly esteemed and enjoyed a wide circle of friends.

Ten I. C. R. brakemen have been laid off indefinitely on the east and west divisions. It is understood ten on the northern division will also be laid off. This is on account of slack times. The residence of Hilarie Melanson, father of H. H. Melanson, chief clerk in the I. C. R. passenger department, "Shediac," near Shediac was burned to ground last Sunday afternoon with total loss of about \$3000. Shortly after dinner the blaze was discovered in the roof of the house and as there was a high wind blowing the fire was soon beyond control. Besides the house, granary and wood house were destroyed but the barn was saved after a hard fight. Considerable furniture and the greater part of the family clothes were burned in the house. The furniture on the first floor was taken out, but practically nothing was saved from the second floor.

There was no insurance on the burned buildings or contents, and Mr. Melanson will severely feel his loss.
