BRITISH ATHLETE WINS OLYMPIC TEN MILE WALK

Animated Scene in the Big Stadium This Afternoon. Sabre and Archery Competitions on this Morning—Results in Preliminaries in a Swimming Event.

LEAD ALL-OLYMPICS London, July 17.—By the time the games opened, however the weather had cleared somewhat, and there was a better attendance. Events were contested at the usual time and on the whole the scene was more animated than on any previous day. The part of the arena reserved for field events was used, as was the fencing grounds adjoining the stadium. The men who had qualified for the final in the ten mile walk, all of them members of the United Kingdom team, with the exception of H. E. Kerr, Australia, were on the field path, and in the centre of the arena were javelin throwing, competing with the javelin held in the middle. In another portion of the arena the big men of Greece, Germany, Sweden, United States and the United Kingdom, the last named having three teams entered, had congregated for the tug of war. The first heat of the semifinals of the 100 metre backstroke swimming contest was won by Bieberstein, Germany, in one minute 25.55 seconds. Hans, Denmark, was second. In the second heat, Harenau, United Kingdom, was first, and Aurick, Germany, second. The winner's time was one minute 28.14 seconds. In the final in the ten mile walk was won easily by G. E. Larner, United Kingdom, in one hour 15 minutes 28.14 seconds. J. Webb, United Kingdom, was second. London, July 17.—The unfortunate circumstances which have made this year's Olympiad a fiasco so far as the general public is concerned are now openly stigmatized by this morning's newspapers as a management and lack of proper organization. These responsible for these deplorable conditions are urged to reduce to a minimum the expenses of the games, and to remove the petty annoyances, such as refusing admission to the stadium without payment, which tend to drive the public from visiting the Olympic games. Another grievance is that all except the expensive seats are unoccupied, and that the spectators are sitting in a trenching rain, the costly covered seats are empty. The newspapers team with suggestions for attracting the public, but as the management divided between the directors of the Franco-British exposition and the Olympic Council, there is little chance of any effective remedy being adopted before it is too late to save the situation. It was rumored last night that Tom Longboat, the Canadian Indian runner, had met with an accident while training in Ireland which would prevent him from competing in the Marathon race which is to be run on July 24. While the accident has not been confirmed, Manager Crocker of the Canadian team, in reply to an inquiry said: "It is reported that Longboat ran into a wagon and was slightly injured. Today's issue of the Sporting Life has an interview with John J. Flanagan, of the Irish-American Athletic Club, who said: "I am delighted by the manner in which the games are being conducted. It is a pleasure to compete here, there is such scrupulous fairness shown to every competitor. I would willingly be tried for my life by the judges of the Olympiad. It is a fair field and no favor will be shown." London, July 17.—The British Olympic association has concluded not to decide the championship of the nation to compete in the Olympic games held in London this year, and the same decision applies to the sports now going on at the stadium at Shepherds Bush. The Olympic committee was to offer a trophy for the country securing the most points in all games, those held in the stadium and those played at various clubs, such as the tennis at Queens Club and the rifle matches at Bisley, but the difficulty of arriving at an equitable method of allotting the points was so great that the idea has been dropped. The committee worked out several schemes, but each was open to so many objections on account of unfairness to one nation or another that it was impossible to reach a fair basis having found impossible the British Olympic Association had to decide reluctantly not to offer trophies of any kind excepting the gold, silver and bronze medals in each competition. Captain W. Jones, assistant secretary of the association, gave out this information, which has not yet been announced here. Captain Jones concluded his statement as follows: "The newspapers of the different countries will have to decide the matter to their own satisfaction. America, probably more than any other nation, should have cause for complaint if we attempted to award a championship. The distance to the United States is great and the Americans were not expected to have as many entries as the United Kingdom, in many events, such as pigskin shooting and lawn tennis. America is not represented. Therefore if points were awarded for every event, the United Kingdom would have an advantage." The Americans competing in the stadium games are simply going in for the championships in the field events and are counting their points by the American method, five for first, three for second, and one for third. There are only three events on this morning, individual sabre, competition, and two archery contests. The first of the archery contests was the York Bowmen's potlondon and the second the National round for ladies. The bad weather again spoiled this sport. The attendance today was even smaller than yesterday. There probably will be a reduction in the price of admission next week to induce the Londoners to fill the grounds. In the first round of the individual sabre competition, the best performance was given by Flesch, Austria, in the first contest. He scored...

TRIAL HELD IN A HOSPITAL ROOM

Trial of Prince Philip Zu Eulenburg Suspended Indefinitely Because of Prince's Illness. Berlin, July 17.—The trial of Prince Philip Zu Eulenburg on charges of perjury in connection with the court scandals of last year, was suddenly interrupted today and it has been indefinitely suspended because the prince, in a half dying condition. He has been growing steadily weaker during the eighteen days of the trial. The hearing began first with four hour sessions in the Criminal Court Buildings. These later were shortened to three and two hours a day, and the court was transferred to a room in the Charity Hospital, where the prince is confined. The court probably would have postponed the trial before today had the German newspapers not insisted that no consideration be shown to the fallen favorite of the emperor, and an associate should not be permitted to defer the verdict of the court by what they intimated was a pretense of illness. The prince is described as having broken down and sobbing on the cot when the judges refused to continue the trial. In a weak voice he urged them to go and put an end to his long agony.

CITY DELEGATION RETURNED HOME TODAY

South Sea Islanders Sold Into Slavery in Guatemala Liberated by British Government. San Francisco, July 17.—Nineteen survivors of several hundred South Sea Islanders, kidnapped eighteen years ago from their native strand and sold into slavery among the coffee plantations of Guatemala, arrived here yesterday on the steamer City of Paris. They are free and homeward bound, and in addition to this they are traveling as tourists with their government paying expenses. The natives were kidnapped by Captain Blackburn, now dead, who visited the islands in his steamer the Monserat, and enticing them aboard, sailed away. They were supposed to be contract laborers bound to their Guatemalan employers for three years. Ignorant of the language and in a land where the law is sometimes the dictator's will, it was easy to keep them in the plantations where they stayed until their plight was made known to the British government, which, however, was not until eight years ago had passed.

SLAVES RETURN TRAVELLING IN STYLE

Expectation Now is That Ottawa House Will Prorogue Tomorrow Providing Senate Gets Through. Ottawa, Ont., July 17.—Special.—With most of the members occupied in the packing the papers and clearing their desks this morning the house of commons gave evidence of the near approach of prorogation, which, according to present calculations, and assuming that the senate gets through, will take place some time tomorrow. Many members have already left for home, and tonight's trains will take away a great part of the members. The morning's sitting of the house was occupied in a discussion of the reports on the Quebec Bridge. Mr. Chisholm, Antigonish, moved the adoption of the majority report, and entered into the history of the undertaking. He defended the majority finding. Mr. Monk followed in support of the minority report, and criticized the government's connection with the enterprise. The debate took all morning.

WEALTHY MISER LEAVES FAMILY IN NOVA SCOTIA

William Jayne Who Left \$25,000 Deserted His Wife. New York, July 17 (Special).—William Jayne, who died in miserable circumstances, leaving \$25,000 secreted in the walls of his one-room hut, near Hampstead, L. I., last spring, was a runaway husband, according to claimants of his estate, who appeared in Hampstead within a few days. James H. Jayne, who says he is a brother of the dead miser, has come down from Nova Scotia with documentary evidence of his relationship and will make a contest for his estate. According to this brother, Jayne deserted his wife and children before the Civil War, and never was heard of again until the news of his death and the discovery of the \$25,000 was read. The deserted wife and children still are in Nova Scotia. Jayne had lived outside of Hampstead for many years and neighbors knew little of him. He was reputed to be very wealthy, in spite of his apparent penury, and this suspicion led neighbors to his death to tear down his hut, thus revealing \$25,000 which was turned over to the public administrator.

LORD ROBERTS IS IN CANADA

He Reached Quebec This Morning on His First Visit to the Dominion. Montreal, July 17 (Special).—At nine o'clock this morning Earl Roberts stepped on Canadian soil for the first time. He was greeted with a Field Marshal's salute of nineteen guns and was escorted to the citadel by a detachment of Royal Canadian Grenadiers of which he is honorary colonel. He was received there by Earl Grey. Every soldier officer of importance in the Canadian militia, Colonel Gosselin, Lessard and Swatkin, were present and stood at attention at the landing steps. Col. Hanbury Williams, representing His Excellency, the mayor, and members of the Battlefields Commission, were also present. A few words of welcome were exchanged and then "Robbie" stepped into a waiting carriage and the party set off for the citadel. At the citadel he was met by Earl and Countess Grey and taken directly to the "Robbie" apartments. The general making an official inspection of the citadel. At an official luncheon was tendered him by Earl Grey.

PRINCE OF WALES NEAR COLLISION

Warship Indomitable Struck by Barge Just Before He Starts for Quebec Tercentenary—Shock Only a Slight One. Portsmouth, July 16.—A large barge came into collision with the warship Indomitable in Portsmouth harbor shortly before the Prince of Wales set off for the Indomitable to leave for Quebec, where he is to attend the tercentenary festivities. The force of the collision was slight. A little paint was scratched off the side of the battleship and the barge lost her foremost.

SET FIRE TO STORE TO WIN A HUSBAND

Seventeen-Year-Old Girl Says She Planned Father's Ruin for \$100 Downy—Accuses Business Rival. Rutland, Vt., July 17.—Seventeen-year-old Anna Rosen, a Polish girl, who has been in jail three days, charged with setting her father's store on fire, today dragged her sweetheart, Powell Turkot, into the affair, asserting that they had agreed to take \$100 from John Pillo, a business rival of the father, Barney Rosen, at West Rutland, to set the fire and elope. The shoemaker has no money, but the girl says she hoped to steal some from her father. Turkot was arrested this afternoon and held in \$2,000 bail to await the action of the Grand Jury. Anna has been in jail since Saturday under similar bail, her father refusing to furnish security for her. Anna was arrested after she had made fourteen unsuccessful attempts to burn her father's new \$90,000 store building on the site of one burned two years ago by incendiaries. The new structure, which represented Rosen's whole fortune, is unfinished. Pillo is said to have known this, but the officers are endeavoring to get evidence other than the girl's statement against him.

RESULTS IN HIGH SCHOOL ENTRANCE EXAMINATIONS

List of Scholars to Enter High School Contains 286 Names Which Will Probably Tax Accommodation of Building and Cause, New Grade Ten to be Formed. The list of scholars who have made marks in their examinations sufficient to entitle them to enter the High School number 286. This is not quite as large a body as last year, but it is larger than any year previous to 1907, and will probably tax the school board and teaching staff to find room for them all in the big Union street building. The largest number of points was scored by Miss Josephine White, of the St. Peter's girls' school, who had 883 as her average, while Miss Lizzie Cowan, of the Alexander school, was a close second with an average of 872. Miss Walsh will therefore receive the chairman's gold medal. The Governor-General's silver medal winner will not be decided until the papers have been sent to Fredericton, as this award is open to competition in the county. Dr. Bridges reports that the number of scholars is steadily increasing, and it is possible a new grade class may have to be formed when the schools reopen. During the past year there were 7,490 pupils in the various school buildings. The list of scholars who have passed are given in order of their standing.
