

FRUIT TREES, & c.

ERIE COUNTY NURSERY.

BUFFALO, N. Y.

The Proprietors of this establishment, offer for sale a large and choice collection of *Fruit and Ornamental Trees, Evergreens, Flowering Shrubs, Roses, Bulbous Roots, Hardy Herbaceous Plants, Grape Vines, Gooseberries, Raspberries, Strawberries, Green House Plants, &c.* Our stock of Fruit Trees now embraces all the leading and best fruits of the country, and a large proportion have been propagated from bearing trees, whose excellence have been satisfactorily tested by the proprietors.

It is well known that trees raised at this point, are perfectly hardy, and are well adapted to the climate of the West and Canada; and situated as we are, at one end of the great Lake Route, we are enabled to forward trees to any port on the lakes at least ten or twelve days sooner than eastern nurseries, whereby much time, risk and extra expense is saved.

Trees, plants, &c., will be labelled and properly packed in bundles or boxes, and forwarded agreeable to order. Persons ordering trees who are not familiar with the different varieties of fruits, may leave the selection with the proprietors, who pledge themselves to send none but those of acknowledged excellence.

Orders accompanied by a remittance or satisfactory, sent direct to us, will meet with prompt attention. Catalogues may be obtained gratis of the proprietors by mail.
