BASEBALL
St. Peter's League

In St. Peter's post series last evening the Maples defeated the Shamrocks by a score of 3 to 1. The game was well contested and was witnessed by a large number of spectators. The teams lined up as follows:

Maples—Harrington, catcher; H. Dever, pitcher; McGovern, 1st base; Duke, 2nd base; McMurray, 3rd base; Mahony, short stop; Hansen, left field; Moore, centre field, and McGuire, right field.

Shamrocks—McAnulty, catcher; Elliott, pitcher; Murphy, 1st base; Kundson, 2nd base; Garnett, 3rd base; P. Howard, short stop; F. Howard, left field; Butler centre field; Heggarty, right field.

This evening the Maples will meet the Thistles.

Giant Veteran Makes Good.

Cincinnati, Aug. 27—Playing his first game as a Dodger, Fred Merkle, until yesterday a member of the Giant aggregation, today helped Robbie's men to feast on the offerings of three Red hurlers, with the result that when the tired athletes called it a day the men from Kings Borough had amassed a total of seventeen safe blows, good for thirteen runs, as against eleven hits and six runs for the local forces.

Merkle's debut caused Robinson to heave a great sigh of relief. Fred was up six times, slashed out two hits, walked once, drove in one run, and scored two himself. In the field he was a whirlwind, accepting twelve chances without a wobble, and put up the fielding feature of the day when he made a flying leap and tagged out the fleet-footed Neale in the sixth inning.

Today's victory for the Superbas made it fifty-fifty on the series and marked the last appearance of the league leaders on Redland field this season. As the players were preparing to leave the grounds they received a rousing send-off from the fans, who wished them luck in their endeavor to land the National League banner.

Braves Purchase Chappelle.

Chicago, Aug. 28—Manager Stallings of the Boston club has purchased Larry Chappelle from the Columbus club of the American Association.

Chappelle is the outfielder whom Comiskey of the White Sox bought from Milwaukee some time ago, paying $18,000 for him. He had a bad leg at the time and did not do much for the Chicago club. He went to Cleveland as part payment for Joe Jackson and Cleveland turned him over to Columbus. He has, it is said, had a very successful season with that club.

Hank Gowdy has had him under observation for the past two weeks and it was upon Hank's recommendation that Stallings bought him.

Steve Yerkes Makes Record.

Atlanta, Ga., Aug. 27—Steve Yerkes, second baseman for the Atlanta Southern Association team, and former American and Federal League player, has accepted 111 chances in twenty-two games without an error. Sporting writers here claim the world's fielding record for him.

RING.

McDonald vs. McKinnon.

Halifax Echo:—Judging from the rapid sale of tickets there will be a record breaking crowd at the Arena on Friday evening, when Roddie McDonald and Will McKinnon will meet in a fifteen round bout. There will be a large number of out-of-town followers of the game.

Both McDonald and McKinnon realize that this match is a most important one, as it involves a title on either side. Many believe that McKinnon's matches with such men as Frank Moran, Jack Dillon, Mike Gibbons, etc., will give him a big advantage over his less experienced opponent. On the other hand McDonald is improving rapidly and shows a hundred per cent. better than he did a year ago. Roddie also has the advantage of three years in age, which means something in the fistic game.

FOOTBALL

An Expensive Game.

The average football spectator has little idea of the equipment necessary for a big 'Varsity football squad of forty men. Manager Lovitt of the Penn eleven figured out that it cost approximately $255 per player before the kickoff occurs in the first game of the season. Seven hundred pairs of shoes and stockings of the most expensive sort, sweaters, jerseys, moleskins, to say nothing of several hundred footballs, are required in equipping a big team. Add to that the expense of keeping several men busy all summer rolling the gridiron, raking it for small stones, rebedding it with fresh sod, and getting the field in general into first class condition for the opening. This upkeep continues throughout the entire football season, and if football players drew the salaries that the diamond stars in the big leagues receive, there would be no college football.

THE AUTO.

Two Killed in Race.

Kalamazoo, Mich., Aug. 27—Two men were killed and eight others injured, one of them fatally, when eleven of fourteen automobiles piled up at the first turn during the 100-mile race at Recreation Park here today.

Jack Peacock's car, leading in the race, skidded and struck the fence at the first turn. It was overturned and thrown squarely across the track. Before track attendants could signal the other drivers, ten of the machines going at a terrific clip plowed into the overturned car. Five of them were completely demolished.

The car driven by Andy Burt, whose mechanician, Marion Arnold, was killed, was the first to strike that of Peacock. Nine others came into the wreckage a moment later. Peacock was killed.

At the same park in 1911, Lee Oldfield's racing car plowed through the fence and killed eight persons.

TURF

James K. Newbro Sick.

Fredericton Gleaner:—Driver Tommy Raymond, local trainer, who went to Quebec to start his stable in the horse races in that province, has returned home, two members of his string having become unfit for racing at the present time.

James K. Newbro, 2.18 1-4, the leading member of the Raymond stable, is ill and will not be ready to race for a couple of weeks. He took a cold at Moncton where he made his first and only start this season, and became gradually worse while in Three Rivers. He did not start, while Miss Kelfer, who is lame was also unable to get into the racing at Three Rivers. According to Driver Raymond both horses will be all right within a week or two, but he will not make any starts until the Halifax races in September. Jessie H. was the only one of the Raymond horses to start at Three Rivers, and he was just outside the money, finishing fifth in the 2.35 pace.

Driver Raymond says that the racing in Quebec is not what it was expected it would be. The fields at Three Rivers were large, but no fast time was made. He believes he could have landed the 2.22 trot with a purse of $1,000, with Miss Kelfer had she been right, the fastest time being 2.19 1-2, while the winners in the other classes didn't break any records. The maritime horses did not fare well, however. Len Acker, the Halifax horseman who was also at Three Rivers, being inside the money only once, and that time with Bud Moore, who secured third money in the 2.22 trot. Bob Mac, the Sydney horse, was also outside the money.

Races at Houlton.

A large crowd witnessed races held at Houlton, Me., yesterday. Hayward Wilkes won the 2.26 class trot and pace in straight heats; best time 2.16 1-4. The 2.15 class trot and pace was won by Dan S. Jr., who captured three out of four heats.

Grand Circuit Results

At the Grand Circuit meet in Poughkeepsie, N.Y., yesterday, Jay El Mack won the feature event, the Duchess stake of $3,000, in straight heats, best time 2.08 1-4.

The Real Lady won the Vassar stake of $2,000 for two-year-olds in straight heats; best time 2.08 3-4.

Hal Boy won the 2.08 pace in straight heats; best time 2.08.

Empress of Russia won the 2.18 trot in straight heats; best time 2.10 1-4.

St. Louis Browns Take a Double Header From Red Sox

Tigers Win From Yanks

Braves Win Double Header From Pittsburg and Are Only One and a Half Games Behind Brooklyn; Giants Trim Cincinnati

The Red Sox received a jolt yesterday which may have a decided effect on the championship of the American League. The Browns are certainly playing better ball under Fielder Jones than they have in years, and it is no wonder St. Louis fans are beginning to see visions of a pennant fleeting over their park.

The Tigers gained on the leaders by taking a double header from the Yankees. They are now only three games from the Red Sox.

Chicago is slipping after working right up to the top. The White Sox pitchers are not going as well as expected.

In the National League the Braves gained on the leaders and are now only a game and a half from the goal. If they ever get into the lead they will be a hard team to catch. Tyler performed the "iron man" stunt by pitching one full game and starting the second.

Brooklyn fought an up-hill game against St. Louis and won in the eighth inning by hitting Ames and Williams hard.

The Giants won from Cincinnati by a small margin. With the acquisition of Zimmerman, they should finish in the first division.

CHICAGO SECURES JACOBSON IN BIG BASEBALL DEAL

Former N. B Player Goes to Cubs in Exchange For Zimmerman

Heinie Zimmerman, third baseman, was traded by the Chicago National League club Monday night to the New York Giants for Larry Doyle, captain of the New York team. Hunter, a first baseman, and Jacobson, an outfielder.

Zimmerman left Monday night to join the Giants. The New York players will join the Cubs Tuesday and will play in the game against the Phillies in the afternoon. They will come from Cincinnati, where the Giants are playing a series.

President Weeghman of the Cubs announced the deal Monday night after a week of dickering with several National League clubs for a trade for Zimmerman.

It will be recalled in St. John that Jacobson played for the St. Croix team in the New Brunswick and Maine League. This year he has been playing with Rochester, in the International League, and his hitting and fielding was so good that he was recalled by the Giants.

Society for Prevention of Cruelty to Children Opens Playground.

(New York Times)

The big traffic policeman at the busy corner of Twenty-third street and Fourth avenue yesterday morning received a signal from the building of the Society for the Prevention of Cruelty to Children and held up his hand for traffic to stop. Immediately a company of children under the charge of teachers issued from the society's door and marched across the street, to disappear behind the large board fence that incloses the now vacant lot where the Packard Business College once stood.

The same signal will be given every morning hereafter during the warm weather, and a similar line of children will toddle between the lines of cars and motor trucks to the same place, for the society yesterday opened a playground there for the children who are under its care, and, while their life tragedies are being adjusted in the courts and other places, the youngsters will have an opportunity of forgetting their troubles in the midst of sand piles, chutes and see-saws.

The playground was made possible by Jeremiah and Dunleavy Milbank, executors of the Milbank estate, who have been active in the work of the society for years. They granted the use of the property at a rental of $1 a year until the property was required for other purposes. George Gordon Battle and Miss Madeline Stevens of the Parks and Playgrounds Association helped in providing the material for play which Supt. Ernest K. Coulter had asked for. The idea of the playground was first suggested when Miss Maria Norris, one of the teachers, saw a little chap look longingly at the open lot with his nose flattened against the kindergarten room window and heard him murmur, "I wish I could get over there and build a house." He got his wish.
