J. J. McCaffrey IS RECRUITING MAN FOR YORK

Appointed Officer in Charge of Enlistment in That County—A Tribute to Organizing Ability and Recognition of Good Work Done

J. J. McCaffrey, proprietor of the Queen Hotel, Fredericton, has been officially notified of his appointment as recruiting officer for York County in succession to Major Day, who has joined his battalion at Alderhot.

Mr. McCaffrey has done excellent work in connection with the Patriotic Fund and recruiting and has displayed remarkable skill as an organizer. His appointment to such an important post was entirely unsolicited on his part and is a great compliment to his ability.

Mr. McCaffrey is a native of St. John and left the hotel business here some years ago to take over the Queen, in Fredericton. He has been very successful in his own business. Since the war broke out he has given a great deal of time and of his means in furthering the cause and has won high praise, not only for his deep interest, but also for the success which he has won in all branches of the work which he has taken up.

LOCAL NEWS

FOURTEEN DEATHS

At the board of health, offices this week, fourteen deaths were registered, resulting from pneumonia, influenza, heart disease, cholera infantum, cerebral embolism, osteomyelitis tibia, carcinoma of stomach and rheumatoid arthritis.

TO BE NURSES.

Miss Mabel Ketchum of West St. John left this morning for Boston en route to Newport, R. I., where she will take a course at Newport Hospital. Miss Mary Reed and Miss Natalie Reed left this morning for Boston and will enter Newton Hospital. Mrs. A. W. Reed accompanied her daughters and will spend two weeks in Boston.

NEW POSITION

Walter Shaw of Wall street, who was in the employ of the I. C. R. for nearly twelve years, has resigned to accept a good offer from the Boston & Maine Railroad. He will leave in the near future to enter upon his new duties as freight trader with headquarters in Boston. His many friends are congratulating him on his appointment and unite in wishing him every success.

ON WESTERN TRIP

H. C. Groat, superintendent of the C. P. Railway, accompanied by Mrs. Groat, will leave this evening on a trip to the west, going through Upper Canada, the Northwest, thence to San Francisco, and returning home through the United States. They will be away about five or six weeks. During Mr. Groat's absence, C. McKenna, Montreal, engineer of maintenance of ways, will be acting superintendent.

MEN LIKE TO GATHER THERE

A wonderful transformation has taken place in the recruiting rooms at the corner of Mill and Union streets, thanks to the efforts of a special sub-committee appointed by the general recruiting committee. These large store premises, almost an auditorium, which have been generously loaned by Thomas Naylor, are now resplendent in patriotic bunting, war pictures and numerous attractive decorations. The inside is washed clean and pure and the smart bearing of the soldiers in charge gives the place a very businesslike appearance. Large numbers of people pass this recruiting station daily and men are looking upon it as the line of railway who have to pass this point upon entering and leaving the city.

ST. JOHN TO HAVE PART IN WORLD MOVEMENT IN JEWS' INTEREST

A world-wide movement in the interests of the Jewish race in all countries following the war is soon to be launched. St. John Hebrews are to have an active part in it. A meeting is to be held in Montreal on November 7 and there will probably be present one or more representatives from this city as well as delegates from all parts of Canada where there are Jewish communities. The intention is to discuss proposals for aiding kinsmen in other lands in the rights of citizenship.

Another big congress of Jews from Canada and the United States will be held in New York early next spring, and representatives from the dominion will be selected to attend at the Montreal meeting next month. At this second conference more definite plans for participation in the peace settlement after the war, that the rights of Jews may be asserted in all countries will be discussed.

POLICE COURT

In the police court this morning Timothy Boyle was sentenced to a fine of \$88 or go to jail for twelve months for using abusive language to his wife in their home in Hillyard street yesterday afternoon and also for violently resisting arrest and assaulting Policeman Hamm.

One woman arrested on a drunkenness charge was sent to the Home of the Good Shepherd for two months. A man arrested on a similar charge was fined \$8 or two months in jail.

Frank Bell, who was recently arrested on a charge of drunkenness and also for escaping from the chain gang, was fined \$8 or two months in jail on the first charge and remanded on the second.

John McGovern, recently arrested on a drunkenness charge, was allowed to go this morning upon his promise to sign for active service.

The Man In The Street

Well, October is making a lovely start.

How does the cool-bim look—You've got a fine chance to fill it at the patriotic auction.

Every householder this week felt that the fellow who first murmured about "not missing the water till the well runs dry," had a pretty good head.

No, He's Trying to Explain It Away. Wm. Salt, inspector on Manitoba government works, has admitted altering records and getting \$11,200 hush money. Now watch some smart Alec asking if he "called it."

The treatment by the French in Champagne may cause the Germans to become total abstainers.

A Deep Inquiry. A consultation is now investigating the sale of two submarines to Premier McBride in the west. Because it was under water craft that were sold was no reason why the sale should not have been on the level.

New Brunswick's share of the patriotic fund is exhausted—buy something next week at the Patriotic Auction and help towards that \$80,000.

Clever business man, a member of New York Cotton Exchange, shot himself in cemetery, says despatch. Carrying his business forthought to the last hour.

Living in Boston has some consolations—the Red Sox have won the pennant again.

We are not fussy, but this weather has our full and free permission to continue just as long as it wants to.

At the same time fall weather is quite appropriate for the fact that is overtaking Germany. Her stock is beating the mercury to the zero mark.

Presbyterian Synod meets in St. John next week but the delegates will have to go some to crowd the war news and the patriotic auction out of the newspapers.

BREAD DOWN TO EIGHT CENTS ON NEXT MONDAY

On and after Monday the retail price of bread will be eight cents. The Times was so informed by the bakers, and also by the secretary of the Retail Merchants' Association, which has been pressing for a reduction. As a matter of fact, some bakers sold at eight cents this week and the general price had to come down.

BIG MEETINGS TONIGHT AND SUNDAY NIGHT

Recruiting Rallies in Dock Street and Imperial Theatre

Rev. (Capt.) Thomas Harrison, chaplain of the regiment now at Sussex, who has created so much interest by his speeches in this city and vicinity for the last few weeks, will be the chief speaker in the recruiting rooms, corner Mill and Dock streets this evening. The chair will be taken at eight o'clock by P. J. G. Kauffman, and besides the Rev. Mr. Harrison, H. A. Thompson, who has three boys in khaki, will tell why he urged his sons to take up arms. The meeting will hold a unique interest and these rooms are now warm, cosy and most attractive, it is expected, large numbers of passers-by will drop in.

Mr. Evans, who contributed so much to the interest of the recent recruiting meeting in the Victoria Rink, will provide musical entertainment.

Sunday evening, rain or shine, Imperial Theatre will be the scene of another splendid mass meeting for men, commencing at 8:30 o'clock. The chair will be taken by Dr. Thomas Walker and the speakers will be Venerable Archdeacon Raymond and Rev. (Capt.) J. J. McCaffrey of North End, who will leave on Monday to join his Highland regiment in Montreal, of which body of volunteers he has been appointed chaplain. This Sunday evening rally should be an inspiring one, as the sacred cause to which the nation is pledged will be dwelt upon by the speakers in masterly manner. The hymns "Onward Christian Soldiers" and "Stand Up, Stand Up for Jesus" will be sung in unison, led by a volunteer choir. The hour for this gathering has been placed at 8:30 so as to avoid interfering in any way with the regular church services.

AN I. C. R. RUMOR. Fredericton Mail—It is reported that the late Evan Price of Campbellton, will be succeeded as superintendent of the Moncton-Campbellton Division of the I. C. R. by W. R. Fitzmaurice of New-Castle, who had been assistant to the superintendent for some years. S. B. Wass of this city, assistant superintendent in charge of the St. John and Quebec Railway under I. R. C. operation, is mentioned as successor to Mr. Fitzmaurice.
