

MERRY MAKERS HAVE GOOD TIME AT TWO PICNICS

One Outing at Lake Robert-
son; Other at Grand
Bay

Silver Falls United church, of which Rev. Hugh Miller is the pastor, held its annual Sunday school and congregational picnic yesterday afternoon on the beautiful grounds of Herbert Keys beside Robinson Lake on the Loch Lomond road. Automobiles conveyed the picnicers to and from the grounds. There was a good attendance, including several visitors from the city. The latter part of the day was marred by a few showers which became heavy just about half an hour before it was time to leave the grounds.

Fred Snodgrass, superintendent of the school, supervised the arrangements. Ice cream and candy were in charge of Mrs. A. E. Josselyn, who was assisted by Mrs. Frank Bustin, Mrs. William Arthur, Mrs. Hugh Miller, Mrs. S. Armstrong, Mrs. Sydney Wyatt, Mrs. E. J. Young, Mrs. B. Morrow, Mrs. Thomas Alexander, Mrs. Wesley Shillington and Miss Milla Morrow.

SPORTS ENJOYED

A ball game, tug-of-war and quoits were featured among the amusements. The ladies' bean board was in charge of Allie Bustin and the men's bean board was in charge of Elwood Dickinson. Boxes of chocolates were given to the winners in a series of contests at the bean boards. A rifle range was in charge of LeBaron Jordan, E. J. Young and William Arthur.

The winners of the class races were as follows: Mrs. Sydney Wyatt's class, Mrs. Arthur and Ralph Shillington, Mrs. Hugh Miller's class, Evelyn Alexander and Burpee Harned, Mrs. S. Armstrong's class, Gladys Armstrong and Stuart Josselyn.

At the tea hour the family groups partook of their own refreshments in picnic fashion and hot tea and coffee were served through the kindness of Mrs. Samuel Waters and Mrs. Fred Waters. The young men of the Sunday school served.

AT GRAND BAY

The annual Sunday school and congregational picnic of Carleton United church was held at Grand Bay yesterday and was a decided success. From a financial standpoint it was the best in several years. The weather was ideal until after the tea hour, when a rain started. About 400 were in attendance. LeBaron Stone, superintendent of the Sunday school, and Charles Stevens, assistant superintendent, took a prominent part in all the activities and were assisted by an able committee.

Three months ago Mr. Stubbs offered a prize for the class making the best attendance in a three months period in the Sunday school. Miss Abbie Nason's class of eight girls was successful in winning the prize. Enoch Thompson, on behalf of Mr. Stubbs, presented to each of the girls a beaded bag and to Miss Nason a Testament in a handsome red leather binding. The games and races were conducted

by the superintendent and there were races for every class of the school. The winners received suitable prizes. The men and boys enjoyed ball games and quoits. An air gun was in charge of J. Lister. Charles Stevens had charge of the bean boards and the ladies' prize, a silver ewer, was won by Mrs. A. Brown and the gentlemen's prize, a safety razor, was won by Anthony Belyes. The Young People's Society with Arthur Long as convener had charge of the booth.

THOSE IN CHARGE

Those in charge were as follows: Ice cream, Miss Helen Fullerton and Edith McCavour; soft drinks, Arthur Long and Charles Long; candy, Laura Nason and Mildred Tippetts; Mrs. E. Ritchie and Mrs. A. Bodington. The tickets and transportation were in charge of Enoch Thompson and Edwin Williams. The advertising was arranged by Miss Winifred Sharp. Fifty Babies Are Brought To Clinic

The weather very kindly did not start to "let up" yesterday until late in the afternoon and so enabled many mothers to transport their babies to the well baby clinic of the Sub-district Board of Health at the Health Centre. There were almost 50 babies who were weighed and many were specially examined by Dr. W. E. Lunney. The hoodoo of bad Thursdays for some time reduced the attendance at the weekly clinic at the Health Centre to a very small number, but yesterday the attendance was very near a record.

Three weeks ago the attendance at a Thursday clinic totalled 46. The clinic plays a big part in the child welfare program of the Board of Health, which is now being carried out by the two special nurses, Miss L. Richardson and Miss A. MacPhail.

RETURNS TO DUTY.
C. N. R. Constable William Ross returned to duty at the Union depot yesterday after a two weeks' holiday.

During the last few days the number of clients receiving milk through the free milk fund of the Saint John Women's Council has been appreciably reduced. Yesterday there were 28 names on the list and notice had been given that several of these would be dropped from the list next week. This is the season of the year when it is expected that there will be the smallest number of babies dependent on the free milk fund.

The Victorian Order of Nurses during June had a total of 288 cases under their care for nursing attention, and of these cases 184 were new that month. The grand total of nursing visits made was 945 and many of these visits were occupied long periods of time, and were at remote sections of the city taking still more time in traveling. The total of all visits made, including those for educational work in June, was 1,120 and there were 48 new infants given care. The nurses attended no less than 83 confinements during June, Miss H. B. MacKay, the superintendent, said yesterday.
